Cafe Kreyol - Direct Trade, Organic Coffee with a Mission

Direct-trade, organic coffees grown in Haiti, Colombia, Honduras, Myanmar, Zambia, Bolivia, and Dominican Republic and roasted in the USA! This company has a fascinating story: it was founded by a former drug dealer who now works to help end the drug trade at its origin. Their Coffee Hunter Project takes them to countries where coca, opium, and marijuana are grown, where they teach the farmers how to plant, grow and process coffee instead. Farmers are then paid direct trade pricing for the coffee so that they can truly earn a living. Watch the award-winning documentary film here: <https://vimeo.com/127070109>

Drink Moyo - Whole Bean Unflavored Coffee from Malawi

Whole Bean Coffee: Grown at Satembwa Estate on Thyolo Mountain in Malawi, Africa and roasted at D's Roastery in Wimberley, Texas.

For each 12-ounce bag of coffee you purchase, we give a tree seedling to a child in rural Malawi. We want to improve the lives of Malawian farmers and provide you with exceptional coffee.

Nothing brings relief, builds resilience, and provides restorative comfort quite like coffee. Moyo means "life" in many of Malawi's languages. With this in mind, we decided to name our company Drink Moyo. Drink Moyo was founded by Jordan Price, Malawi's Honorary Consul to the U.S.
