

Missisquoi Valley School Board Mission Statement

The MVSD Board of Directors will support our schools as they provide all students with a high-quality education that enables them to grow into responsible and contributing members of a multiethnic, multicultural, pluralistic society. The Board represents the community, works closely with the District Superintendent, and is responsible for strategic planning, policy-making, and fiscal oversight.

Guiding Principles

- *To work together as one team serving the MVSD school community.*
- *Keep student success at the forefront of strategic planning and decision-making.*
- *Think strategically and set annual goals to support the MVSD vision and mission.*
- *Expect all students have access to a safe, healthy, challenging, and nurturing school environment.*
- *Operate in the belief that a wide range of opportunities and a well-balanced, rigorous, and engaging curriculum will lead to successful students and thriving communities.*
- *Appreciate that students, family, school, and community share in the responsibility of education.*
- *Contribute appropriately to board work; be prepared, respectful, open-minded, and concise at board meetings.*
- *Focus on continuous improvement of ourselves as individual board members and the board as a whole.*
