SHELBYVILLE HIGH SCHOOL

STUDENTS OF THE MONTH | SEPTEMBER 2023

Abby Tomlin	SENIOR
Adelyn Long	JUNIOR
Tessa Bowers	SOPHOMORE
Laynie Lockart	FRESHMAN

QUOTE OF THE WEEK

It is natural for parents to watch a game with a spotlight on their own athlete. The experience is better for everyone if we can also become a fan of the whole team.

Shelbyville FFA Chapter received a \$2,500 grant from the National FFA Organization to address Mental Health in Agriculture during the 2023-2024 school year. With this money, the chapter hopes to partner with local ag businesses and organizations to address Mental Health in Shelby County Agriculture. Planned activities include: writing and mailing thank you notes and coloring pages for National Thank a Farmer Day (Oct 1), harvest and planting buckets full of goodies that farmers can use when in the field, handing out meals at four local elevators during harvest, serving hot meals in the field during planting season, and establishing a booth at the Shelby County 4-H Fair in 2024.

Shelbyville High School will be offering **FREE** tutoring/homework help every Monday and Tuesday throughout the school year. If you want your child to attend, please call the SHS office. Students can show up to receive assistance at any point in time. This service will be staffed by two professional educators and it will be located in the cafeteria from 3:00pm-4:00pm. Start Date: 9/25

NO right turn upon exiting the school at the 6th street intersection *between the hours of 2:45pm-3:15pm.*

NOTIFICATION:

Students are not allowed to exit the school during the lunch hour through the ag wing shop.

The U.S. Army Corps of Engineers has been working closely with SHS over the past few years. We have a work experience set up at Lake Shelbyville on September 25 during parts of the school day. If you are interested, please sign up in the office. On a similar note, the shop class will be making catfish boxes in partnership with affiliated organizations. We are excited to assist with all efforts meant to improve upon the sustainability of fish habitat and recreational development at the lake.

Homecoming Sign Up will take place on the following dates:

- Monday, 9/18, lunch & homeroom in the foyer
 - Tuesday, 9/19, lunch & homeroom in the foyer
 - Wednesday, 9/20, lunch only in the foyer
 - Thursday, 9/21, homeroom only in the foyer
 - *Everyone must sign up to attend. Cost is \$5/person. There are no table reservations, it is first come first serve.*
