

How much do you value clean groundwater?

What is clean air worth to you while hiking, biking or living near Rocky Top?

Don't like dust and litter blowing off the DTG landfill onto the trails and neighboring properties?

Want to help protect valuable shrub-steppe habitat?

Want to learn more about the risks to the groundwater, air, or environment around Rocky Top from DTG activities? Join FRIENDS OF ROCKY TOP and help work to ensure DTG follows the rules – Scan this QR code to visit <https://www.cascadianow.org/friends-of-rocky-top>

## **Support FRIENDS OF ROCKY TOP (FORT)**

**We NEED YOUR HELP:** to pressure regulators & DTG to protect public & environmental health.

**Join and help us reach our funding goal: \$225,000**

Donations will go to:

1. Continue investigating and meeting with regulators to ensure ground water and air quality is being protected
2. Organize a campaign to prevent/reduce DTG's development of the adjacent 240-acres into gravel mining or a landfill
3. Continue efforts to inform, coordinate and build partnerships across the state to advocate for and support regulators efforts to hold DTG accountable
4. Fund annual subscriptions and membership fees
5. Hire legal assistance, *if necessary*

### **Membership Levels:**

- Supporter up to \$300 (or up to \$25/month)
- Committed Steward up to \$1,200 (or up to \$100/month)
- Trailblazer up to \$1,800 (or up to \$150/month)
- Corporate over \$1,800 (or anything over \$150/month)

**Please make a gift to CascadiaNow-Friends of Rocky Top project by visiting our website <https://www.cascadianow.org/friends-of-rocky-top> or sending a check in the enclosed envelope. *Donations will be made to CascadiaNow! - Friends of Rocky Top Project and are tax deductible. CascadiaNow! is a non-profit 501-3c organization.***
