QUESTION 5

This was my question! ^_>^

“What was the inspiration for your animations?”

I love animation, I love to create content, I love stories around it, and somehow it all came together in a YouTube channel. Then came everyone's favourite monkeys family...

“Are your animations done by a team or one person?”

Max Design Pro 🧑🏻‍🎨 🍀 Today at 4:12 PM

I started out on my own, and I still do a lot of things on my own, but I do have a little bit of help now.
