Planning your Scatter Plot Project

Formulate a research question that you are genuinely interested in:

Create a specific plan to collect data:

What materials do you need to bring to school in order to collect this data?

Teacher check: ☐ Project approved ☐ Revisions needed

Revised Plan:

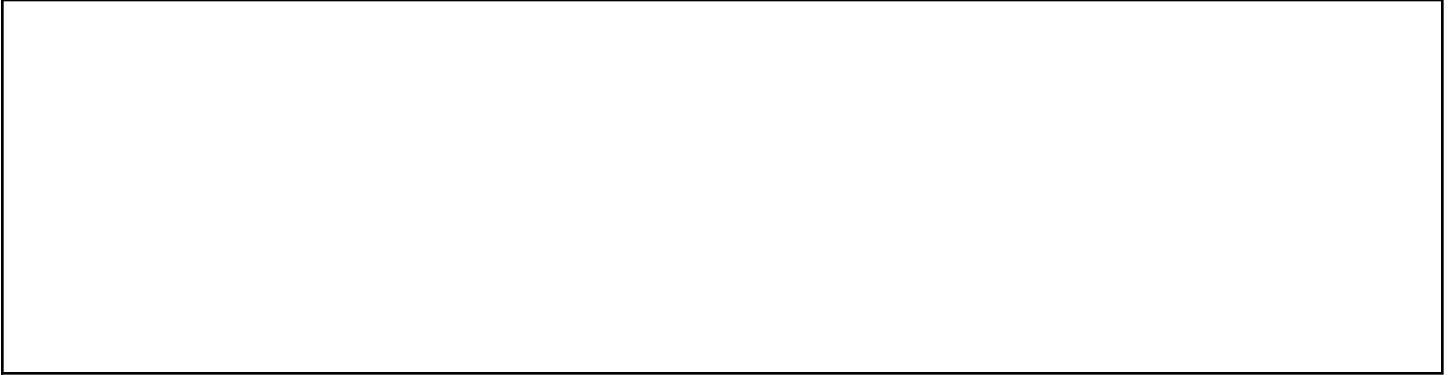

Formulate a research question that you are genuinely interested in:

Create a specific plan to collect data:

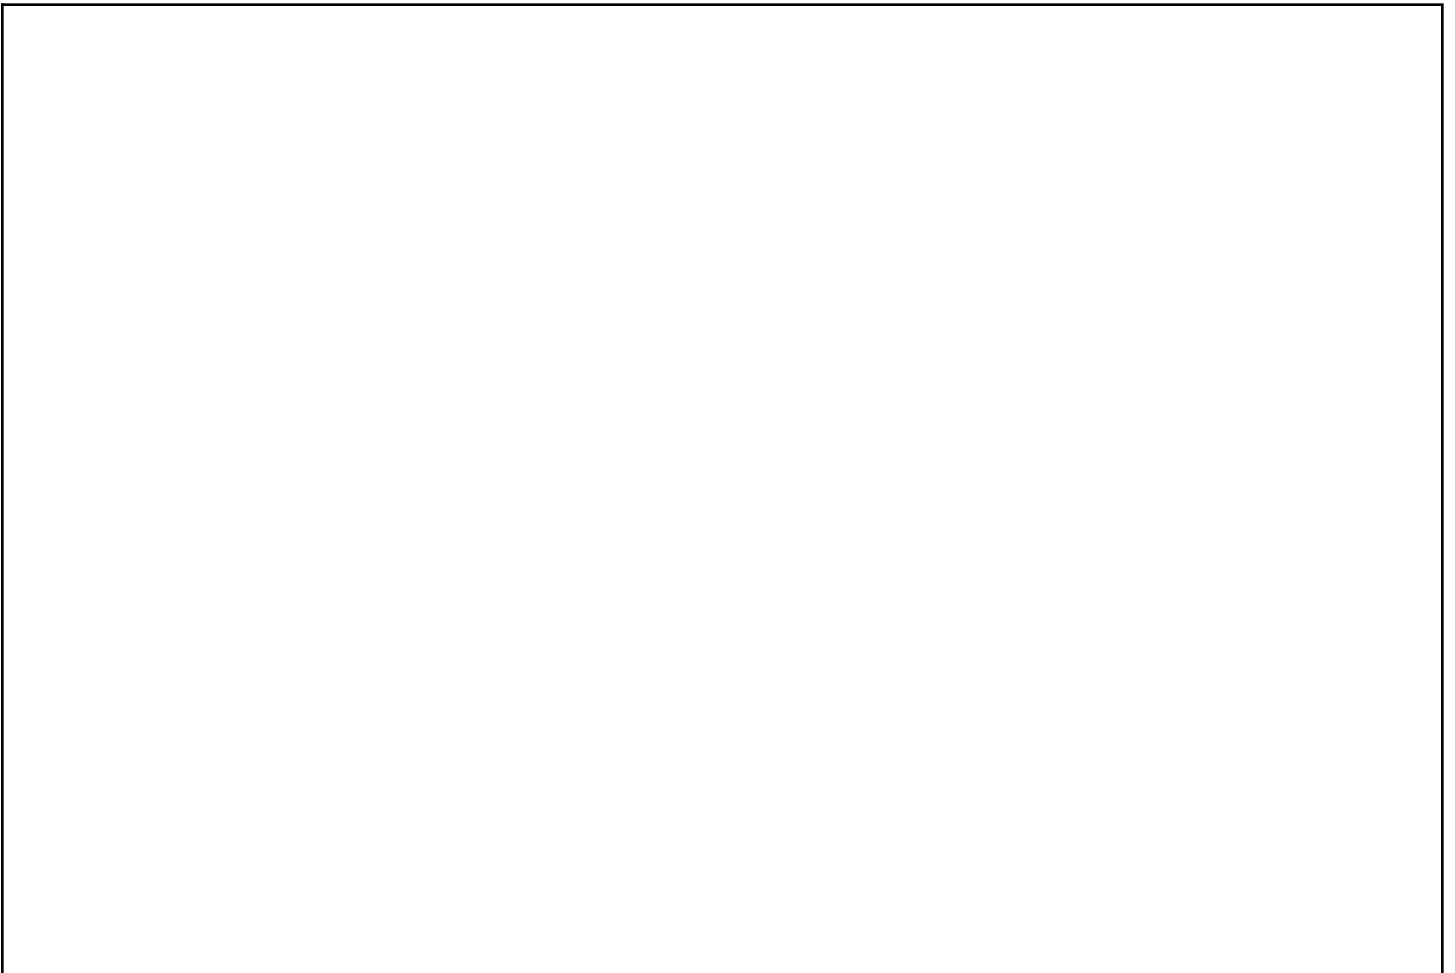

What materials do you need to bring to school in order to collect this data?

Teacher check: ☐ Project approved ☐ Revisions needed

Revise your research question:

A large, empty rectangular box with a thin black border, intended for the user to write a revised research question.

Revise your plan to collect data:

A large, empty rectangular box with a thin black border, intended for the user to write a revised plan to collect data.

Teacher check: ☒ Project approved ☐ More revisions needed
