

MINNESOTA WORKS

EXPLORING TECH AND TRADES

Friday, February 16, 2024

You have the opportunity to visit **Dakota County Technical College** in Rosemount, MN where you can explore high skill and high paying jobs critical to Minnesota's economic future. This event will feature snapshots of eight career sectors with faculty, leaders, and students and include hands-on activities. **These sectors include agriculture, energy, engineering, health care, information technology, advanced manufacturing, and transportation.**

If you're interested in pursuing a technical or trade career after high school, want to learn more about the opportunities a technical college can provide, or are completely undecided about what your next steps will be, this would be a great experience for you to explore your options.

Schedule for Friday, February 16, 2024

- 7:50 am - Arrive at STEP and check in with the Career and College Specialists on the first floor. You can ride the shuttle from your high school to STEP or drive yourself. STEP's address is 1353 West Highway 10 in Anoka.
- 8:00 am - Bus departs STEP for Dakota County Technical College
- 9:00 am - Explore a variety of careers with hands-on activities and a tour of DCTC.
- 11:00 am - **Lunch will be provided** or you can bring your own bag lunch
- 12:45 pm - Bus departs for STEP

Turning in this permission slip does not guarantee you a spot on the trip. Space is limited and priority will be given in this order: Seniors with demonstrated interest, undecided seniors, juniors, sophomores and then freshmen.
