

## **Hansen School Norms and Expectations for Remote Learning**

As we begin the 2020-21 school year, we want to take a moment to remind our parents and students of our school norms and expectations for our interactions in person while in school and also for our interactions online.

As a reminder, our school norms are reflected through our Team Hansen Expectations for Excellence that we follow on a daily basis.

Do your best-always!

Be Respectful - Be safe, friendly and kind

Do the right thing

It is important for all students to remember that on-line learning is still a classroom, and certain behaviors are expected when communicating with teachers and classmates as outlined in our Team Hansen Expectations and the [Canton Public Schools Responsible Use Policy](#). Students should conduct themselves according to the following norms during video conferences:

- ***Don't audio record, video record, or take pictures/screenshots while in a videoconference; MA law requires consent from all parties before doing any of these things.***
- Find a quiet place to join and stay there. Don't walk around.
- School rules apply: Be respectful. Dress appropriately. Be kind.
- Be focused on learning. Don't play games, watch videos or surf the web.
- Mute your microphone unless you are speaking.
- Try not to speak over one another: to get the teacher's attention, you can raise your hand on screen or say "I have a question" in the chat if the teacher doesn't see you.

Holding ourselves accountable to these norms and expectations will allow all participants to virtually engage safely and responsibly. We thank all parents/guardians, students, and staff for their attention to these important norms and expectations and appreciate your flexibility and patience as we all engage together through remote and online platforms!
