

Please understand that these are raw notes, **DO NOT GUARANTEE DROPS**. These are what I have used in my (-31) round. Tweak according to club level, ball choice etc.

Hole 1:

Shot 1: Max+10 % on the drive.

Approach: -5% at slider

Hole 2:

Shot 1: Max+10, push to max as EM8 as low power and top spin. Full ts and 1 ls

Shot 2: Safe as I was in rough. 15% max with nirvana

Hole 3:

Regular elevation, Max+10% 0.7 TS

Hole 4: Max+10% and push to max.

Maybe use more curl if playing EM8

Second shot EB school at 20% or 10% thorn RFM

Hole 5: 1:1 + 1.1

Hole 6: Max+10 and push up depending upon wind strength.

Second shot 10% at slider. Count rings from the min club.
