

2nd Grade Summer Reading Project

Students will select a book which they enjoyed reading during the summer. I included a suggested list of books which your child can choose from or other books that interest them. Each student will create a diorama depicting his/her favorite part of the book. Students can use a shoebox or any small box for the diorama. Please write the student's name, and the name of the book on the project, along with a sentence explaining the part of the book that is represented in the diorama. The projects are due on the first day of school, and will be counted as a test grade. Have fun with this project, and be as creative as possible!

- Bob books
- Litter Critter books
- Pete the Cat books
- Henry and Mudge books

This is an example of a diorama on the book **Goodnight, Moon.**

One Fish, Two Fish, Red Fish, Blue Fish diorama
