Lily: *watches a funny and relatable video*

- Ha ha ha! So relatable!

knock on the door

Lily: *freaks out*

- He better have a good excuse this time.

Lily: *opens the door*

Cyril: Hi, Lily. Past your bedtime again, I see.

Lily: Come on Cyril, I'll wake up just fine in the morning.

Cyril: You always say that, but don't live up to it. I'm starting to have trust issues. Look, just go to bed and we won't have to argue.

Lily: Okay, but don't force me to wake up. I hate when you do that.

Chapter 1: An Unknown World

Page 1

Lily: What is this place, and how did I get here?

???: I know how you feel. I also asked these questions when I got here the same way you did.

Lily: *gets scared*

???: Eh-heh... S-sorry for scaring ya. I didn't mean to.

Lily: It's fine! It happens to all of us.

- Anyway, who are you? You look different than most other Umbreon I've seen.

Page 2

Liz: I'm Elizabeth the Umbreon. Please call me Liz for short. And yes, I do look different because I was born that way.

Lily's thought: What happened to her ears? Could've sworn they were bigger on the previous page.

Lily: Interesting. I definitely wouldn't mind hearing more about you.

- I'm Lily the Eevee, by the way.

Liz: I was once told I could read Pokémon's thoughts, and I think it happened just now.

- Yes, my ears are smaller because the artist thought it suits me more.

Lily: *clap, clap, clap* Huh, impressive for an Umbreon! What else can you tell me?

Liz: Lily, I can tell you a lot of things about myself, but there is no time for that. Let's get out of here. This place is giving me a bad feeling.

Lily: Good idea! It's about time we get a move on.

Page 3

Lily: Hey, I have an idea. Why don't you tell me more about yourself on our way out?

Liz: I'd rather keep my mouth shut for now.

Lily: C'mon, Liz. Please tell me!

Liz: I'll tell you at my safe place. For now, let's get there in silence.

Lily: I don't like staying quiet while walking, but... fine.

Elizabeth's safe place

Lily: This place doesn't look like much. No food, drinks, or any sort of entertainment. It's also quite empty.

- How can you even live here?

Liz: Heh, I like your hot take! I fully agree with you. And I don't "live" here.

- I live in a nearby village. Almost all of my stuff is there. That's why this place is empty.

- The mayor saw what I did to Pokémon that appeared near the Dark Forest and was very thankful.

Lily: *smack* What exactly did you do to them? If it's mistreatment, you WILL face consequences as I take it very seriously!

Liz: Wh-what the heck?! I would NEVER do that! All I did was bring them to the village.

The mayor later said that there were not enough houses and showed me this place.

Page 4

Lily: Oh, you were doing the opposite. My bad!

Liz: Who do you think I am? Some sort of a mind-controlled clone formed by Ace? No way!

Lily: Mind-controlled... clones? By Ace? What for?

Liz: *sigh* He only uses them with malicious intent. He takes advantage of newcomers or someone who reappeared recently, and everybody starts blaming it on the real deal.

- He probably already did that with you and is using it to cause trouble as we speak.

Lily: *hits the table* That's not good! When I meet him, I'll kick his butt so hard he won't feel it!

Liz: Such cockiness. I wouldn't act like that if I were you. You have yet to see his powers.

Page 5

Lily: Well, it'll be my chance to!

Liz: Right. Just don't do anything stupid.

- Anyway, let's head to the village. Ace could be there at any given moment.

Lily: It's about time.

Near the village

Lily: Wait, are you sure he's there?

Liz: No doubt! Just watch him wait for us at the gate when we get closer. If not, it'll be your clone.

Lily: If you say so. Hold on, who's that? And it seems like they're... crying out for help?

Liz: Looks like a Meowstic. It must be Vince!

Vince (from a distance): Elizabeth! Eevee! Help!

Lily: Wow, she's so skinny...

Liz: Don't worry, Vince! Help is on the way!

Page 6

Vince: Help! The village is under attack! I tried to fight back, but the attacker was too strong! *quieter* It's not even a Dark type...

Liz: Now, now, calm down and explain e-

EXPLOSION!

Lily: We don't have time for this! The village will be blown to smithereens if we just stand around!

Vince: She's right. We need to hurry and take care of the attacker!

Liz (to the viewer): I hope that explosion was caused by an attack and not something else.

Page 7

the trio is approaching the village

Lilly notices them

Lilly: Ugh, he's bringing in reinforcements!

- Including Lily?! If she finds out I'm teaming with Ace, I'm done for! I better hide.

Vince: Yep, just as I suspected.

- To add insult to injury, I'm the only one responsible for fixing it.

Ace: Actually, you're not. I am.

Vince: Oh, right. I keep forgetting.

Page 8

Lily: Aha! You saved us the trouble of looking for you. Now we'll get you good!

Ace: Not again. Lily, this got old ages ago. Snap out of it.

Lily: What exactly "got old"?

Ace: You accusing me of basically everything. That's what got old. Even Liz is giving you a look because of that. Perhaps she's also trying to tell you to snap out.

Liz: Yeah, Lily, you're in the wrong here. Ace is being reasonable.

Lily: I guess you're right.

- Sorry about that. Sometimes, I take things way too seriously and may go overboard.

Page 9

Ace: It's okay. You're just not used to the fact that I'm no longer a threat. That shiny Eevee, however, is the complete opposite.

Lily's thought: Well, that's a plot twist if I ever saw one.

Lily: Shiny Eevee?

Ace: Exactly. It looks like you, too.

Lily: I know her. She tricked me by transforming into a Ditto-like form, and for some rea-

Lilly jumps out in her Ditto form

Lily: What the?

Page 10

Lily: Who are you? Wait, you must be that shiny Eevee we were talking about. Do you really think I'll fall for your transformation twice?

Lilly: ...

Lily: Hello? Say something.

Lilly: ...

Lilly starts transforming

Lily: Huh?

Page 11

Vince: She's evolving?

Ace: No, Vince. She's transforming.

Lilly: Oh hi, Lily. Long time no see. I honestly thought you were gone for good.

Lily: Now you're acting like you didn't see anyone?!

Lilly: Wh-what do you mean?

Lily: Well, I heard you say something about teaming up with Ace, and if I find out, you're done for. You know, stuff like that.

Page 12

Lilly: Why am I such an idiot?

Ace: Now that you're here, explain yourself! Why are you causing trouble again?!

Lilly: What's wrong with you all? It was Ace, I swear!

Vince: Now, now, let's save all this for tomorrow! It's almost dark.

Lilly: Hmph! Pathetic little M-

Ace used a Poké Ball!

Lilly: Nooooooooo--!

Page 13

Ace: There, that should do it. I've had enough of her point-and-blame for today.

Vince: Wow, you captured her! Where did you get that Poké Ball?

Ace: It's a long story. For now...

stashes the Poké Ball in his gem (2 panels)

Ace: Let's get some sleep.

Page 14

Vince: You're right, but the brown Eevee is still homeless.

Liz: Leave it to me, Vince! I know a perfect place for her!

Vince: If you say so.

Ace: Can we go to sleep already?

Vince: Yes, we can.

Lily and Liz: Good night, Ace!

Page 15

The next day...

Lily: You know, this house is much nicer than that safe place of yours!

Liz: Frankly, it is. Also, my safe place doubles as a workshop. I'm a mechanical engineer, after all.

Vince, Ace, and Lilly arguing

Lily: Hey, do you hear that?

Liz: Sounds like that trio is arguing again. We better see what's up.

Page 16

Ace: You've made me very angry now! Clean up the mess you made right this instant, or I won't hesitate to use my psychic powers on you!

Lilly: You're making a mistake! You'll regret doing this!

Ace: What else can I do if you didn't understand me the first time?

Lilly: I don't know. Give me a second chance? Sort it out with words? Or-- Oh frick!

Ace used Psybeam!

a direct hit

Page 17

Lily: Nooo, Lilly!

Liz: Don't panic. She's still alive and in... a different form?

Lilly (Dark Form): I told you that you would regret doing this. Now, prepare for the consequences!

Ace: *shocked* I-impossible! No one I ever met managed to survive my Psybeam!

Lilly: Too bad you have to deal with a pest like me!

Grab! (2 panels)

Page 18

Ace: Alright, where have you taken me?

Lilly: Don't question it.

- Now, back to what I wanted to do.

Ace: W-w-wait, don't! I'll make it up to you, I promise!

Lilly: Huh?

Ace: I'm sorry for what I did earlier. I don't know what came over me.

Page 19

Lilly: Fine, I'll spare you, but on one condition: if it happens again, you'll get what you deserve. So, you better keep that Psybeam to yourself.

- Come on, let's go back to the village. Everyone's waiting for us.

back in

Lilly: Hey everyone!

Ace: Y-yes, hello.

Lily: Ace, Lilly! You're back! Where have you been?

Lilly: We've been on the outskirts of Azalea. I wanted to give Ace a beating, but we sorted everything out without it.

Ace: Again, I apologize for what I did earlier. Now I know not to mess with her.

Page 20

Lilly: We're glad you learned your lesson.

Liz: Totally! So, what should we do now?

Ace: I want to get some rest. My gem needs to recharge. As for you, you want to visit the nearby town.

Lilly's thought: Shoot, he knows!

Lily: Wait, how do you know?

Ace: I read your unaware minds. That's how.

Lily: Oh, right.

Page 21

Liz: Well, should we head there now or... do you need time to prepare?

Lily: I'd say we need time. I mean, we can't let Lilly be seen like this!

Lilly: It's only a matter of seconds for me to change back, so it's not an issue.

Lily: That's good. What else do we need to prepare?

Liz: If we're going to visit a café or a shop, we'll need money.

Lily: I haven't thought of that at all!

Page 22

Liz: Vince and I got you covered, so don't worry about it.

Lily: Alright, anything else that we might need?

Liz: Well, we're pretty much all set.

Vince: No, we're not. I forgot my bag. Ugh, this thing will be a nuisance to find...

Lily: Oh, Vince. Forgetful as always.

- Wait, I'm starting to remember things.

Liz: That's good! We'll help you remember more.

Page 23

Lily: Aww, Liz. That's so nice of you!

Liz: *chuckles* Don't mention it.

Lily: Ugh, why is Vince taking so long?

Liz: You've got to wait. He is a laid-back Meowstic, after all. Another thing to consider is it's kind of messy in his house.

Vince: Finally, I found this stupid thing! I turned my whole house upside-down for it.

Lily: There you are.

Page 24

Vince: Sorry, I made you wait, but at least we're ready to go now.

Lilly: Actually, I'll stay here and look after Ace. You guys go.

Vince: That's very considerate of you. Thanks for that!

Lilly: No need to thank me.

Liz: Well, now we're all set. Let's go!

Lily: It's about time!

Page 25

Lily, Liz, and Vince heading for the town

Chapter 2: A New Recruit?

Page 1

Lily: How much further do we have to go?

Vince: This is not a 2-minute walk, Lily. We have to keep going until we see a sign with the town's name on it.

Lily: Oh yeah? Why didn't you tell me this before?

Vince: I already did a few years ago.

Lily: You did? Dang, I must've forgotten everything.

Vince: As Liz said, we'll help you remember things!

Page 2

Liz: Hey, uhh, are you planning on going back?

Lily: Nah, I'm thinking of staying. Everyone here is much more welcoming.

Liz: WHAT?! You're just gonna leave Cyril behind like that?

Lily: Wait, you know him?

Liz: I only know his name because Ace mentioned it 5 years ago. He could possibly find his way into this world, but we never had humans paying us visits.

Vince: Well, humans can't exist in this world, so he'll be turned into a Pokémon that matches his personality.

Page 3

Lily (to herself): Hmm, this is turning into a PMD comic now. I wonder if we'll join an exploration guild and form a team.

Lily: Hey, does "Mystery Dungeon" ring a bell to any of you?

Liz: Heheh... I... have no idea what you're talking about.

Vince: It does! I've played Red Rescue Team, so I know what you mean.

Lily: I'm glad at least someone knows.

Vince: Oh, and we have arrived.

Lily: *surprised* Freaking what...? Doesn't matter. Let's see what this town has to offer.

Page 4

Meanwhile, in Azalea Village...

Lilly: Hey Ace, how are you? Has your gem recharged?

Ace: Better than ever, and no, it hasn't recharged. Also, why are *you* the one staying with me?

Lilly: I voluntarily chose to do so!

Ace: *grumpy* Oh, great.

Lilly: Come on, there must be something we can do while you're recovering. Be optimistic for once!

Ace: It's hard to do when you realise something nasty, isn't it?

Page 5

Lilly: Wait, what are you on about?

Ace: Oh, I'll tell you...

- This might sound weird coming from me of all Pokémon, but...

- YOU wreaked havoc upon this world all those years ago and blamed it on ME! Don't even try to cover it up, whipped cream!

Lilly: For Arceus' sake, Ace. You know that an Eevee like me would never do such a thing.

Ace: This ruse won't work on me! You should know better than lie to a Psychic type! I'll find out the truth whether you like it or not.

Page 6

Lilly: *under her voice* Daaarn, I forgot he's a Psychic type!

Ace: So, are you going to admit to it or keep lying?

Lilly: Lying to you is pointless, so I have no choice but to come clean. Yes, I caused all of that destruction years ago while, shall I say, disguised as you. That was very stupid of me, and I'm taking full responsibility for it.

Ace: I'm glad you realised that and came clean, but how will you convince everyone otherwise?

Lilly: I'll, uhh... I'll think of something. You must give me some time, though.

Ace: You have 24 hours to sort this out. No more will be given.

Page 7

Back to the trio...

Lily: Hey Liz, I just realised. We don't know at what levels we are.

Liz: I know my level pretty well! It's 64.

Vince: And I'm level 70!

Lily: Wow, you must've grinded a lot for that. I respect your and Liz's hustles.

Vince: It's really not that big of a deal. We just want to be more powerful, is all.

Liz: Now I wonder what level Lily is...

Page 8

Glaceon's cry

Liz: *right ear twitching*

- Never mind your level for now. Was that-

Lily: Hey, it's Cyril! C'mon, let's move it!

Liz: What if it was a wild Glaceon? It's not uncommon for Pokémon to wander out of the Dark Forest.

Vince: Actually, Lily's right. That Glaceon is, in fact, Cyril. I can see that he's unlike any other around here. Anthro proportions. Full English speech. Human-like personality. It's Cyril, alright.

Lily: Vince?

Page 9

Vince: What? I'm only a little rusty. That doesn't mean I can't use my psychic powers.

Liz: Okay, whatever. I'll have to see him with my own two eyes to believe you.

- Here, 100 Poké. Pay for what we ordered here. I'll catch up with you all later.

Lily: *looks at Liz*

- *looks at Yue*

- *shrugs*

Page 10

Cyril: Urgh... Where am I? I don't recognise this place.

- Wait, I'm a Glaceon?

- *looks around* (2 panels)

- Huh, so I'm working with a familiar territory here... except *I'm* the Pokémon now. Pretty cool, I'd say.

Page 11

Cyril: Hold on, someone's coming.

- I can't quite make it out, but they look like a shiny Umbreon.

- They also look different. Hearts instead of rings, anthro proportions, shorter ears, and

some kind of bracelet on their right wrist. That's one unique Umbreon!

Liz: Oh hey, Cyril! I heard you said that I'm a unique Umbreon. Heh, that was very nice of you! The rest of them just look boring.

Cyril: Eh-heh, t-thanks, I guess...

- Also, how do you know my name?

Page 12

Liz: We all know your name. You've been a hot topic for several days now. The rest of the crew is at Azalea Café in Azalea Town, but they should be on their way to Azalea Village.

Cyril: Wow, that's a lot of Azalea. Is everything here named after it?

Liz: Yes, even the region is named "Azalea."

- Anyway, let me show you to the village. The crew will be there soon.

Page 13

At the village...

Liz: Hey, everyone. Look who I brought here!

Cyril: Hello, I'm Cyril. The so-called "hot topic."

Lily: Oh, Cyril! You finally made it.

Vince: It's nice to meet you. I'm Vince the Meowstic.

Cyril: Dang, everyone's much more welcoming here. I can't say the same for my world.

Vince: Well, not "everyone." Lilly and Ace aren't that welcoming, but Lilly seems a bit nicer.

Liz: No, Ace is nicer than Lilly.

Page 14

Cyril: Hmm... And where's this "Lilly" you've been speaking of?

Vince: I saw her outside the village when we were returning from the town. She must be thinking of something.

Ace: She's thinking of how to convince everyone that I wasn't the one who wreaked havoc upon Azalea.

Liz: Wait, *she* did all that?

Ace: Pah, of course it was her. She assumed my likeness and started doing all that to this region while looking down at the panic and saying: "Hehe, peasants!"

Lily: So, *that's* what she did?

Page 15

Ace: Yes, she used her Ditto powers for that. The only things that set her apart from me were the eyes and voice.

Cyril: So, most Pokémon couldn't even tell the difference, especially if they were far away?

Ace: Exactly. Oh, and by the way, her voice has a higher pitch while she's assuming someone's likeness. In this case, her voice sounded like yours.

Cyril: Man, the more you tell me about this power of hers, the more I want to avoid her.

Ace: I feel like she needs to be kicked out of this crew.

Page 16

Lily: Whoa there, Ace! We need to talk to Vince about this first! In fact, he's right here.

Vince: Well, I'm not sure if I want to kick her out, but judging by everything Ace said, I say we should go ahead with this.

Lilly: Y-you can't be serious!

- Oh, and I heard everything you said, Ace.

Ace: I don't care, Lilly.

- And kicking you out is for the better.

Page 17

Lilly: B-but, I looked after you while the rest of the crew was gone!

Ace: What you did in the past was worse.

Lilly: Actually, it's a good thing that y'all are kicking me out. I'll no longer have to listen to Ace's name-calling!

Ace: Yeah, whatever.

- Vince, do your part.

Page 18

Vince: Ahem, by Ace's order, I hereby declare that Lilly is no longer part of the Azalea Crew, starting today. She'll now be let go.

Ace: Thank you.

- Now, get lost!

Lilly: See ya, losers!

Lily: No, *you're* the loser!

Page 19

Ace: Oh, and before I forget...

throws a Poké Ball at Lilly

Lilly: Ow.

- Hey!

Ace: Do whatever you want with this thing. I don't need it anymore.

Lilly: Stupid brat...

Page 20

Lily: Wow, Ace. That was harsh.

Ace: I know, but I instantly felt relieved.

Cyril: I can relate. Sometimes, you want to do this to someone you despise. Of course, violence isn't the best option.

Ace: I'm aware of that, but if you look at what she did years ago, it makes sense. A lot of Pokémon are still recovering from this.

Cyril: I see.

Lily: Okay, that makes what you did a bit more reasonable.

Page 21

Cyril: I wonder if we'll recruit more Pokémon.

Ace: Let me look into the future. I'll be right back.

Cyril: While he's doing that, would you be against this, Vince?

Vince: Not at all! Every Pokémon recruited makes the crew more powerful.

Liz: Yes, we could use one or two new Pokémon.

Cyril: Well, you already have a new recruit, and that's me!

Page 22

Ace: Okay, I'm done. From what I saw, there'll be one new Pokémon: Jigglypuff.

Cyril: Are you sure about that, Ace?

Ace: My predictions never let me down.

Cyril: Really?

Ace: I'm known as the most reliable Psychic-type Pokémon in Azalea. Everything I've predicted so far came true.

Lily: Oh, wow. I didn't know about that.

Page 23

Ace: Well, now you do. If this comes true, thank me for that.

Lily: Okay, I will. In fact, we all will, right?

Liz, Vince, and Cyril: Yeah!

Vince: So, now that we got this over with, do you want something for lunch, Cyril?

Cyril: Heh, I don't mind if I do!

Vince: Then, follow me!

Page 24

Lily: Hey, what about us?

Vince: You already had your lunch at the café, remember?

Lily: Oh, right.

Cyril: Don't worry, I'll get you some treats!

Lily and Liz: Ooh, nice! We'll be waiting.

Chapter 3: A Pink Mystery

Page 1

Meanwhile...

Lilly: Pah, getting kicked out of the Azalea Crew. Oh, I'll show them how it feels like...
- By forming my own and taking those pathetic Pokémon down! Hehehe!

Back to Azalea Village...

Vince: So, how was lunch?

Cyril: It wasn't bad. I got to try new stuff!

Vince: It's always exciting to try new stuff, isn't it?

Cyril: Heh, you said it!

Page 2

Cyril: Anyway, I found some treats for Lily and Liz.

Vince: Oh, then save some for yourself!

Cyril: I will, I will.

- Here you go, gals.

Lily and Liz: Thanks!

Cyril: Don't take all of them, though. I'm saving some for myself.

Page 3

Lily: Of course, we won't take all of them. We're not greedy. Right, Liz?

Liz: Uhh, yeah.

Cyril: Have a good snack, then!

- I'll go talk to Ace. He seems a bit lonely.

Page 4

Cyril: Hey there, Ace.

Ace: What do you want?

Cyril: Oh, friendly type. I just want to talk to you.

Ace: I see. Have a sit.

Cyril: I just wanted to confirm. Will the newest recruit truly be Jigglypuff?

Ace: Yes. In fact, I can already see their likeness.

Page 5

Cyril: Really? And can you describe their likeness to me?

Ace: Well, round with a big bow, small arms and feet, and a curly hairdo.

Cyril: They sure sound like a Jigglypuff to me. You weren't lying.

Ace: Why would I? I'm not Lilly. I still hate her for shifting blame...

Cyril: Don't worry, Ace. She's no longer part of the Azalea Crew. You can forget about her.

Ace: I guess that's what you call "looking on the bright side."

Page 6

Cyril: We all have to move on eventually.

Ace: You're right. I shouldn't let those thoughts linger.

- Thanks for the advice, by the way.

Cyril: Oh, you're welcome.

knock, knock, knock

Ace: Ugh, what now?

Page 7

Ace: Eh, it's probably that Jigglypuff.

- Vince, get the gate!
Vince: Why me?
Ace: Wynaut?
Vince: Very funny, Ace.
gate opens

Page 8

???: Hello!
Cyril: You weren't lying, Ace.
???: Huh?
Cyril: Oh, nothing. Let me introduce myself: I'm Cyril the Glaceon, a Pokémon-turned human. What about you?
Naomi: Oh, that's so cool! You can call me Naomi the Jigglypuff or simply, Naomi. It's nice to meet you, Cyril!
Ace: She can float?

Page 9

Cyril: Come on, Ace, where's your Pokédex knowledge? Of course Jigglypuff can float! They're classified as "Balloon Pokémon."
Naomi: Exactly!
Ace: Huh. You learn something every day.
Cyril: Oh, and you can fly in.
Naomi flies in

Page 10

Lily: Who's that?
Liz: It's the Pokémon Ace foresaw coming.
Lily: Oh, right.
Liz: Let's go introduce ourselves.
Lily: Uhm, sure!
Liz: What's with the nervous tone? It'll be fine!

Page 11

Naomi: Oh, you guys aren't the only ones here.
Ace: We have 3 more Pokémon here: Lily the Eevee, Liz the Umbreon, and Vince the Meowstic.
Naomi: I'm excited to meet them all! In fact, 2 of them are coming here.
- An Eevee and a shiny Umbreon. Oh, what a charming pair!
- Over here!

Page 12

Liz: You go first, Lily.

Lily: Okay.

- Hello, I'm Lily the Eevee. Just call me Lily.

Naomi: You seem nervous. What happened?

Lily: What? I'm not nervous! In fact, I'm confident as heck! Hehe...

Naomi: If you say so. I'm Naomi, by the way.

Page 13

Vince: Ahem, are you done with your chitchat?

Naomi: Please don't interrupt us, Mr. Meowstic.

- Where were we? Oh yeah, introductions.

- So, who's this Umbreon behind you?

Liz: I'm Elisabeth, but you can call me Liz.

Naomi: It's nice to meet you, but what's up with this Meowstic? He doesn't seem too friendly.

Page 14

Liz: Oh, ignore him. Vince is like that sometimes.

Naomi: Maybe he didn't get a good night's sleep? I can sing the Jigglypuff Lullaby, and he'll be asleep in no time.

Cyril: Just don't draw all over him!

Naomi (to the viewer): Heh, see? He gets it.

Lily: Uhm, who did you say that to?

Naomi: Oh, uh, no one!

Page 15

Naomi: Now, what did you want from us, Vince?

Vince: First of all, I want to know how you found your way here.

Naomi: Well, I was bored and started floating around the region. Then, I stumbled upon this village, thought to myself "hmm, interesting," and decided to check it out. Nothing special.

Vince: Hmm, okay. You seem like a nice Jigglypuff. Would you like to, uhm, join our crew?

Naomi: Oh, I'm down! What are the requirements?

Vince: Uhm, I never thought about that...

Page 16

Liz: *sigh* Vince...

Ace: Just don't cause trouble, and we'll gladly recruit you.

Liz: You're not the one I wanted to hear it from, but okay.

Ace: It doesn't matter, Liz.

Naomi: Oh, that was... unexpected, but I'll take it! Consider me a new member!

Liz: Do your thing, Vince!

Page 17

Vince: Ahem, it's my pleasure to welcome...

- Naomi the Jigglypuff to the Azalea Crew as well as the Azalea Village! Be nice and don't cause trouble. We don't want another Lilly.

applause

Naomi: Thanks.

- And Lilly? Oh, that pesky shiny Eevee! I remember her causing trouble around here. Good riddance.

- She may be gone from the crew, but you never know what she has up her sleeves.

Page 18

Lily: She can't do anything to us! I mean, she's on her own, and with our powers combined, we'll easily make her faint!

Ace: I'm going to stop you right there. She's planning to form her own crew. In fact, I already know its name.

Lily: You don't say...

Ace: Her crew's name will be Thistle Crew, and it'll be formed specifically for opposing us.

Lily: Pfft, she won't be able to recruit anyone after what she had done!

Ace: Well, that's as far as my foresight gets me. We'll have to see the rest ourselves.

Page 19

Lily: I assure you that her attempt at forming the "Thistle Crew" or whatever will fail!

Ace: Again, we'll have to see the rest ourselves.

Lily: Oh, I can't wait for it to fail! She'll look like a freaking loser!

- We'll take her down easily! She won't stand a chance!

Ace's thoughts: You're underestimating her powers, and can you please shut up?

Naomi: You're underestimating Lilly's powers!

Page 20

Ace: That's... exactly what I was thinking.

Lily: Really? What can she *possibly* do to us?

Naomi: A lot of things. Even things that I can't say.

Lily: So far, the best she was able to do is transform and show some purple flames.

Naomi: You've yet to see her final form. Trust me.

Lily: What even *is* her final form? Turning dark grey and emitting purple flames?

Page 21

Naomi: Oh, so you already saw it. In it, she can be extraordinarily destructive.

Ace: Huh. I guess that was her way of warning me.

Naomi: What did you do?

Ace: I shot my Psybeam at her, and she transformed into that exact form.

Naomi: I wouldn't do that if I were you.

Ace: Yeah, I'm now afraid of her.

Page 22

Lily: Really, Ace? First, you were afraid of snowballs, and now, you're afraid of some shiny Eevee?

Ace: Shut up!

Lily: Hahahaha!

Ace: Don't you dare bring it up again, or you'll be the next Pokémon I fire my Psybeam at!

Ace's thoughts: That was embarrassing...

Lily: Ooh, how scary! I've got Liz by my side, and Dark types are super effective against Psychic types, so she'll give you a good beating if you dare attack me!

Ace: *sigh* I hate it when you're right.

Page 23

Lily: So, who's laughing now?

Ace: You, of course.

Naomi: So, what's next?

Lily: We find Lilly and kick her butt!

Naomi: ...is she always like this?

Ace: Eh, pretty much.

Page 24

Lily: Come on, guys, I just wanted to give you a confidence boost.

Vince: That was more of a cringy-ness boost.

Lily: *sigh* When did it all go downhill?

Vince: Ever since you started acting like this.

Lily: Alright, fine, I'll stop!

Naomi: Well, let's get moving. You may never know what Lilly's up to!

And that's where AoLtE ends. I didn't write the final chapter.
