

Onboarding Questionnaire:

Number of Current Properties: 0

Current Location: Birmingham

Location you want to target:

- Paddington
- Camden
- Islington
- Bath

Lacking on: experience and outreach

Business model at the moment: Air BnB property management/Co hosting and eventually guaranteed rent

Portfolio Aim by 2025: in the 4 months I want to successfully manage 8 AirBnB properties

Main Objective: **to successfully set up systems that allow for the seamless management of Airbnb properties. Providing security , safety and style for all guests.**

Main Tagline (ie. Home away from home)

Rest Easy — Your Comfort in Every City's Hustle

About Us

we bring comfort to both travelling guests and property owners by combining services that allow for the maintenance and care of homes, whilst facilitating for spaces that bring comfort and joy to guests.

Why Choose Us

Type of Guests and provide a little bit of information of what services you offer (Contractors, Leisure, Relocation etc)

Affluent international families, business travellers, medical tourists, repeat UK visitors, Creative industry contractors, culture/history curious travellers, academics , city breakers

Optional Pages: Airbnb Property Management (Please provide a bit of information about your Airbnb Property Management services)

Full-Service Property Management

I.e marketing and listing property, staging advice , Guest communication and booking management 24/7

Guest Experience & Hospitality

I.e personalised check in/out, maintenance and rapid response time

Compliance & Safety

Property licensing,

I.e property licensing/legal compliance

Optional Pages: Co Hosting (Please provide a bit of information about your Co Hosting services)

the definition of co hosting is the sharing of responsibility for a property. Our management company allows property owners to remain carefree and not feel the load of this shared responsibility. We put in systems that work seamlessly and ensure a property is well cared for.

Optional Pages: Guaranteed Rent (Please provide a bit of information about your Guaranteed Rent services)

we become your long term reliable tenants allowing you to remain profitable in all seasons and through our rental-ship, we provide spaces for travellers from diverse backgrounds to come and stay. All while maintaining the care and management of

your property.

Any other supporting documents for contents**

If possible / the design is workable, is there a way to incorporate above image as a running theme in the website, maybe at the bottom where the contact banner would be

This is the logo, I've uploaded it separately also

Notes for the developer:

I've changed the logo, so it only says R's Rental, can the website also come up as this please
