The prediction I am making is..	Why I made this prediction	Clues that confirm my prediction
That he will go fight someone	Because the way he looked and the person tell him this news	He fly to the enemy base and dusted down the door and said stop
He is going to get trap in something	Because he got blasted with something that made him little	It didn't happen because he was little and made sap dohe walked away
He going on a big walk back to his base	Because he is really little and there nothing to do	It sort of happen he did go on a walk but then found out that he still has his powers
He going to found him and start a with fight him	Because he trying to find him and fight him because he wants revenges	It didn't happen he left to go somewhere and meet some people in the city
He is going to fly and break the statue in front of them	Because he is flying around with it and looking	He saw himself and drop it and left because was turned into a potato
The bad guy goes round blasting people with that gun turning people into potatoes	Because he left with the the gun and went to the city	After he was done meeting the people in the city and then started blasting people walking around
The evil guy got mad that he saw his stachow lawing on top of a building	Because he is close to where he drop it off and left it there	This happen when his saw it and got angry
When he found the bad	Because he saw that the	He starts to shoot at him

guy he went to fight him but he got shoot with the gun but it did nothing	he had the gun and was ready to fight	but it did nothing because he was already been shot
