What is a School-Parent Compact?

The Fairview Elementary School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills

Jointly Developed

The parents, students, faculty, and staff of Fairview Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added inputs to make them more specific, and students told us what would help them learn.
Parents are encouraged to attend annual revision meetings held in March of each school year to review the compact and make suggestions based on student needs. Parents are also encouraged to participate in the annual Title I parent survey

• Describe how teachers will help students develop those skills using high-quality instruction • Share strategies parents can use at home • Explain how teachers and parents will communicate about student progress • Describe opportunities for parents to volunteer, observe, and participate in the classroom	that is used to collect parent feedback regarding the current Title I program and policies.

Our Goals for Student Achievement

District Goals: Henry County Schools Performance Objectives and Strategic Goal Areas

- Increase the percentage of students reading at or above grade level

Teachers, Parents & Students Working Together for Success

Our School Will…

- Distribute I-Ready Family Reports to parents of students in grades 1-5 to communicate growth & academic areas that need support.
- Offer ongoing academic literacy and math workshops to equip families with strategies to support student learning at home.
- Incentivize reading through our Accelerated Reader (AR) Program by recognizing and celebrating students for their reading progress, effort, and achievement.

The Family Will…

- Review the I-Ready Family Reports with my child and utilize the Family Resource Center for academic supplies to strengthen my child's area(s) of focus.
- Attend parent workshops in literacy and math to gain strategies to utilize at home.
- Encourage my child to read for at least 20 minutes each day.

The Students Will…

- Review the I-Ready Family Report with parents to identify areas of strengths and weaknesses.
- Invite our families to parent sessions by delivering notices/invites to my family.
- Read and take at least 1 AR quiz each week.
