

Viewing Grades in the Student app on my iPad

In the Dashboard, tap the name of the course you'd like to view.

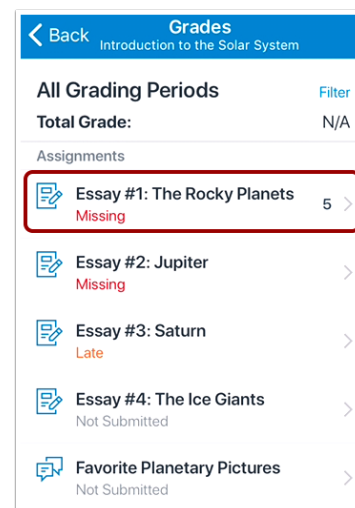

Tap the **Grades** link.

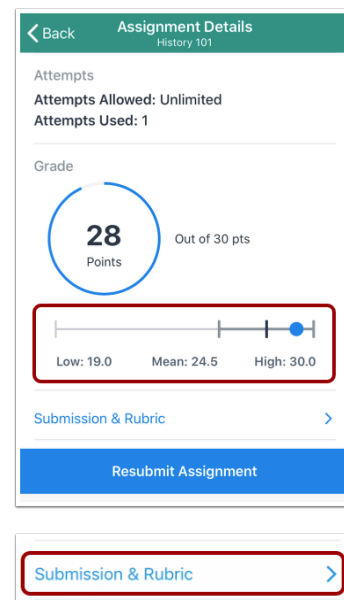

Here you can see the grades you have received on each assignment.

You can also see if an assignment is late or missing.

To view the details of an assignment including any comments from your instructor, tap the assignment name.

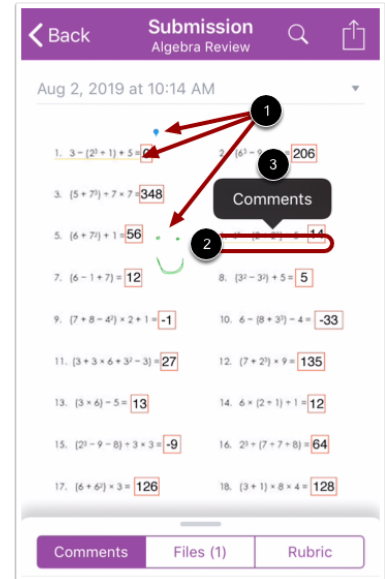

Tap the **Submission & Rubric** link.

Viewing Grades in the Student app on my iPad

If your instructor has left annotations in your document submission, they display in the Submissions details page.

If your teacher has left you comments, tap the **Comments** tab.
