Privacy Policy

App Name: Works Scheme Monitoring / Maabari
Developer / Organization: Tribal Area Development Department, Government of Rajasthan

The Tribal Area Development Department, Government of Rajasthan, is committed to protecting the privacy of users of the Works Scheme Monitoring / Maabari mobile application. This Privacy Policy explains how information is collected, used, and protected when you use our application.

1. Information We Collect

We may collect the following types of information:

- **Personal Information:** Such as name, email address, phone number, and other details, only when provided by you or required for app functionality.
- **Usage Data:** Information about how the application is accessed and used.
- **Images and Media:** The application allows authorized users to upload images related to daily reporting, including photographs of attendance sheets, meal distribution and food served, and stock verification.

2. How We Use Information

We use the collected information for the following purposes:

- To provide and maintain the application.
- To facilitate daily reporting and monitoring activities.
- To notify users about changes and updates.
- To monitor application usage and improve its functionality.
- To respond to user queries and customer support requests.
- To verify attendance, meal distribution, and stock-related activities through uploaded images.

3. Data Sharing and Disclosure

We do not share users' personal information with third parties except in the following circumstances:

- With the user's consent.
- To comply with applicable legal obligations.
- To protect our rights, services, and application security.
- Where necessary for authorized government administration and monitoring activities.

4. Data Security

We implement appropriate technical and organizational security measures to protect users' information against unauthorized access, alteration, disclosure, or destruction.

However, no method of electronic transmission or storage over the internet is completely secure.

5. Children's Privacy

This application is intended for authorized users and is not directed towards children under the age of 16. We do not knowingly collect personal information from children under the age of 16.

6. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be published on this page along with the updated effective date. Users are encouraged to review this policy periodically.

7. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or the handling of your information, please contact us:
