

PAPER TITLE: SUBTITLE

(Keep this format, do not change the colors of the letters)
(Don't forget to delete the red letters)

First Author*¹, Second Author², Third Author³

ABSTRACT

This template sets out guidelines for authors. The article must have identification of the authors in the body of the work. At least one of the authors must be present for the presentation, duly registered in the event. Manuscripts maximum of 7000 words. Paper size is A4 sheet. Font type is "Times New Roman", with text in English. Font size is 12 for content, 14 for title and 12 for subtitle (bold and capital). Line spacing is single. All papers must be submitted in MS Word 2003 or higher only. All references and bibliography should be given in APA style. Research work must be submitted only here on this platform.

Keywords: first word; second word; third word. (Up to a maximum of five words or word set)

INTRODUCTION

The text of the introduction should include a small review on the theme in which the work is inserted. It should also present the general context of the work

OBJECTIVES

Briefly indicate the main objectives to be met by the work

METHODOLOGY

Indicate the methodologies used in the work to achieve the proposed objectives

RESULTS AND DISCUSSION

Present the results obtained in the work and their discussion in relation to the knowledge already available. The results may contain tables, graphs and other illustrations that are essential for a good understanding of the text.

The frames, tables and figure (graphs are considered figures) must be in current text as follows, centralized, with size 10 and single spacing:

¹* Lead author email

Institutional affiliation of the first author;

² Institutional affiliation of the second author;

³ Institutional affiliation of the third author.
