

SYNOPSIS

Narcisse is a 19 year-old young man who suffers from chronic insomnia. Alas, that is not his only problem: he suffers from anxiety, he is a virgin (which is apparently a problem), he drags the shackles of trauma behind him... He just wishes his body would function normally.

But one day, Narcisse finds the answer to his prayer: international sensation Gabriel Howell. And he needs him in his life... *at all costs*.

FEATURES

- A linear story that takes around 1 hour and 30 minutes to complete (25k words)
- Art made with my SWEAT AND BLOOD, and also fancy effects on the visual woooooohhhhh wavey
- Like the art direction must be worth something okay pls
- The weirdest sound design you'll ever see in a game
- Trauma meets shitpost like really I don't know what to tell you
- I guess the most disappointing yandere-adjacent character in history
- However, still very toxic yaoi
- Fanfiction (I won't elaborate)
- Kawaii-chan (I won't—)

CONTENT WARNING

I'm being silly and stuff, but nuit blanche; is actually a horror game dealing with highly triggering content and themes, oftentimes visually represented. The game shouldn't be played by anyone under the age of 18/21 depending on your location. You can find a more detailed account of the content [here](#).

CHARACTERS

[NARCISSE] Fadewell (19 years old — Philosophy sophomore): What are you, but a swansong waiting to happen?

Gabriel Howell (23 years old — Classically-trained idol): The bottom of a lake will never reach a star.

Seiji Isawaka (23 years old — International pop star *for some reason*): An asshole. Objectively. Fuck that guy.

Joshua: Don't let him use you as his trophy: you are less than that.
