

Release To Participate In Programing and Extracurricular Activities

Child's Name:_____

School Year:_____

I give permission for my child to walk and participate in the following planned programing, activities and other extracurricular activities offered on the premises of the licensed child care facility. I understand that supervision must be maintained by a qualified adult staff at all times. I understand that my child will not leave the premises of the licensed child care facility during any of the planned programming, activities and/or extracurricular activities.

Programing, activities and extracurricular options may include but not limited to:

- Louisville Free Public Library Bookmobile
- Stretch-n-Grow of KY
- Pollywog Puppet Theater
- Parking Lot
- Large open field behind the building

Permission Form for Learning/Observations State Regulation: 922KAR2:120 Section 13

My child has permission to participate, observe and discuss the process of metamorphosis of the butterfly and tadpole in the classroom. This includes and is not limited to the life cycle of other insects, fish or turtles that would be in an enclosed aquarium setting.

I understand that observations of any of the above will not pose a danger to my child and that they will be in constant adult supervision while the observation is taking place.
