

MENTAL EVOLUTION

STUDENT AMBASSADOR ROLE DESCRIPTION

Thank you for your interest in becoming a Student Ambassador for Mental Evolution! Mental evolution is a non-profit organization that has two fundamental goals. Our first goal, our “Mental” aspect, is to be a voice for youth who suffer from mental health illness especially during the pandemic. To be a platform where we can showcase the proper resources to help others as well as debunking the stigma and stereotypes surrounding Mental Health. Our second goal our “Evolution” is to connect youth with opportunities to get involved with other organizations, gain experience and help the local community. We want to be there to support and help today’s youth evolve.
