Languages: English (native); Spanish (elementary proficiency)

Experience

Animon Studios / Operations Assistant

November 2024 - Present, Los Angeles, CA

Assisted in FDM and SLA printing, 3D modeling, machine repairing, product photography, website development, and order fulfillment.

Freelance / 3D Printing

July 2024 - Present, Los Angeles, CA

Prepared and printed various items such as modeled walls, figurines, utility items, etc, using an FDM printer.

Dormilón / Set Fabrication Assistant

July 2024, Burbank, CA

3D printed most of the 40 chairs in the theatre set, assembled and physically distressed them. I also fabricated the sconces for the same set.

Open The Portal / Art Intern

March 2024 - July 2024, Glendale, CA

Assisted in creating props and sets with various materials for a current project. Spearheaded the 3D printing process using Autodesk Fusion360 and MeshMixer with different resin and FDM printers.

Humantis / Set Fabrication Assistant

February 2023 - May 2023, Valencia, CA

Assisted with Paris Baillie's Thesis film and replicated the film's style for set pieces. I also helped set up the director's gallery, showcasing all the work for the film.

Calarts/ Teaching Assistant

January 2023 - May 2024, Valencia, CA

Assisted Michael Darling in his Digital Fabrication class. I also helped students learn Autodesk Fusion360, Meshmixer, and Adobe Illustrator in and out of class time. Used and trained others on various Laser Cutters.

Education

California Institute of the Arts / Bachelor of Fine Arts, Experimental Animation / 2024
