

A Resolution condemning the Politically Motivated Indictment of Donald J. Trump Introduced by Justis Amundson

WHERE AS, we the North Dakota Republican State Committee recognize that President Donald J. Trump has been subjected to an endless stream of politically motivated attacks at the hands of his political rivals,

WHERE AS, President Donald J. Trump has already faced two failed impeachment attempts, Mueller's failed special counsel investigation, and a failed congressional committee which concealed crucial evidence regarding what really happened on January 6, 2021; and,

WHERE AS, politically motivated indictments are a complete betrayal of our democratic process and are antithetical to a free and fair justice system,

WHERE AS, the weaponization of our justice system by the Biden Administration to target its top performing political rival is nothing short of illegal election interference,

WHERE AS, now more than ever it is crucial that Republicans unite against the radical weaponization of our justice system and demand basic fairness and due process for all,

WHERE AS, it is the responsibility of all Republican Party leaders to speak out against this injustice,

THEREFORE, BE IT RESOLVED that the North Dakota Republican Party unequivocally condemns the corrupt persecution of President Donald J. Trump and demand an end to this political witch hunt.

ENFORCEMENT CLAUSE: *If passed, this Resolution is to be sent out to all current members of the North Dakota Republican Party*
