

I am Gary Moss. I am a candidate for a position on-the WGPO Board of Directors. I have been playing our style of scrabble since stumbling upon a group of players in Michigan in 1987 and asked them, “What language are you playing in?” That day I learned that ‘CWM,’ ‘NGWEE,’ and ‘HM’ are legal scrabble words. I was fascinated. I joined NSA and became a director where I produced over 200 tournaments and events over the last 40+ years. (clubs, tournaments, cruises, study tools, blogs, word puzzle books and more.) I’m a teacher with a BS and MA in education, founded a private school for ages 3 thru 8th Grade (1968) and served as its Headmaster for more than 20 years. I’ve been teaching scrabble skills to others via an my online class ‘Scrabble 101’, provided talks at Rotary, Chambers of Commerce and Optimist International annd others. Many of my presentations are under the title ‘Secrets of Scrabble Champions’, the last one being in Laguna Woods Village, CA. on 10/20/24. I’ve been an active member of WGPO since its start. I believe that I can help WGPO continue to grow and insure that our favorite pastime continues to be relevant and vital.
