Introduction

Extra Fee is the most powerful extension. Create an extra fee for any additional store service just in a few clicks. Add flexible extra fees, surcharges, and special charges for services like insurance, installation, hazmat, printing, embossing, overweight baggage, warranty, branding, packing, handling, or anything you need. Extra Fee extension, you can create an unlimited number of fees for any service you need.

Installation

- Backup your web directory and store the database
- Download extension installation package
- Run the command "**php bin/magento cache:disable**" using SSH from your Magento root directory to disable the Magento cache
- Upload contents of the extension installation package to your "**app/code/MageArray/ExtraFee**" directory
- Then run commands "**php bin/magento setup:upgrade**" using SSH from your Magento root directory
- Run the command "**php bin/magento cache:enable**" using SSH from your Magento root directory to enable the Magento cache
