**I know stories of
far away places**

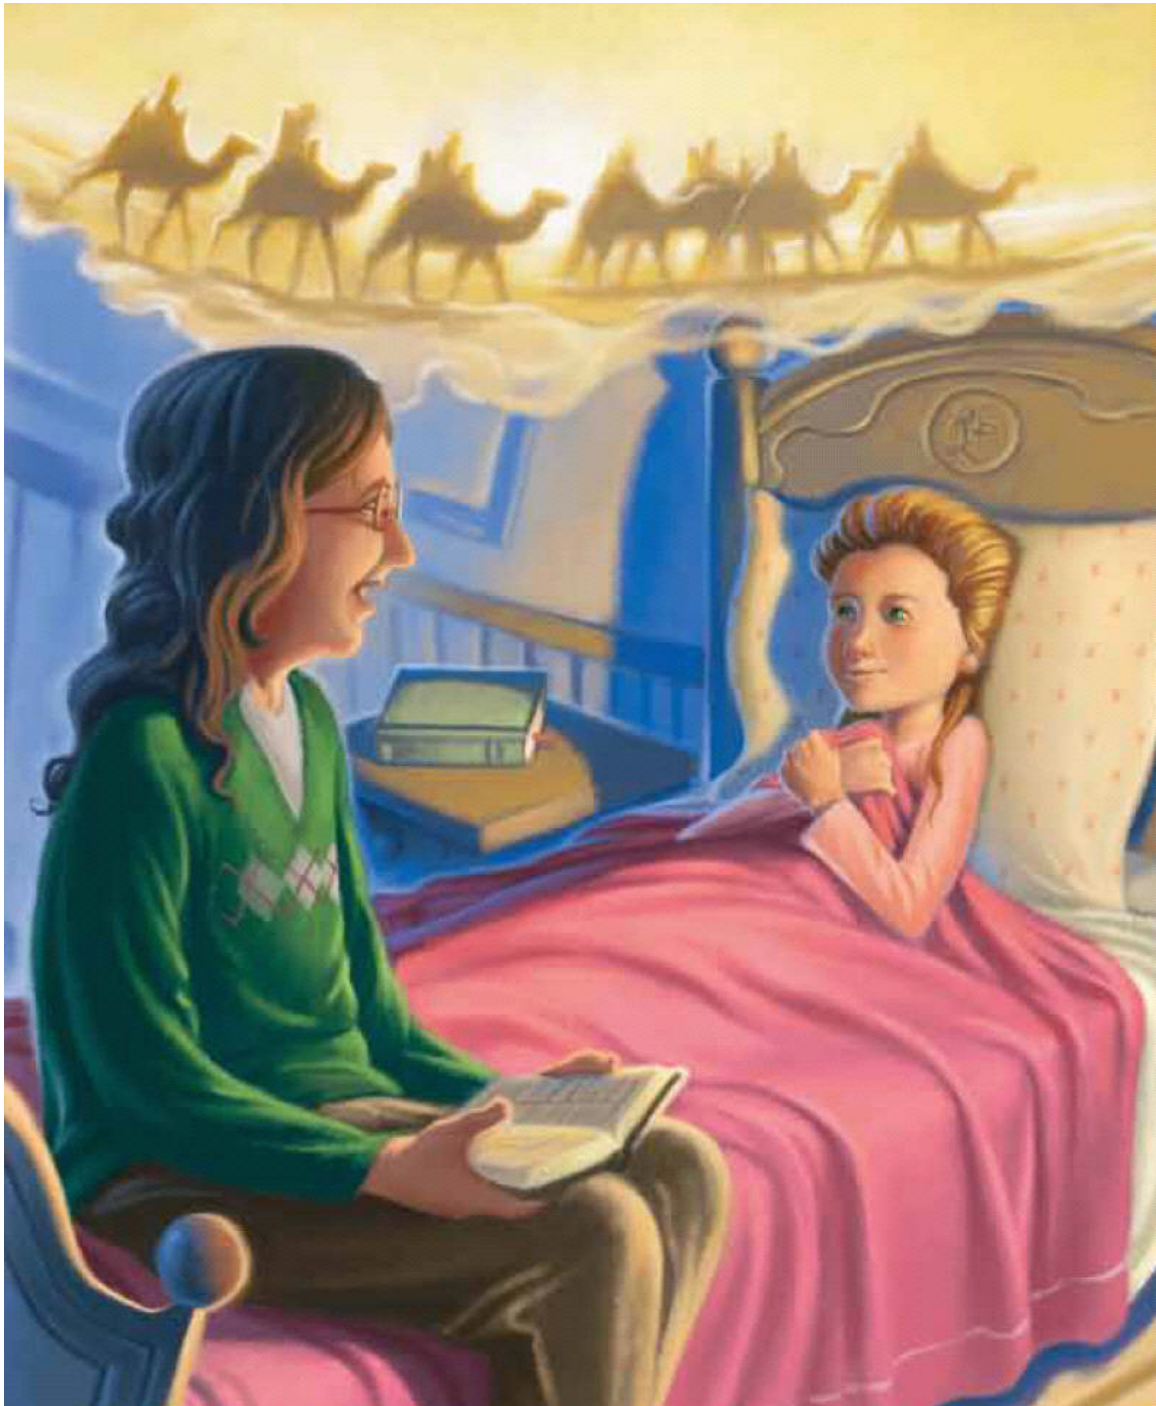

**I know stories of
long, long ago**

I know stories of

Faith and repentance

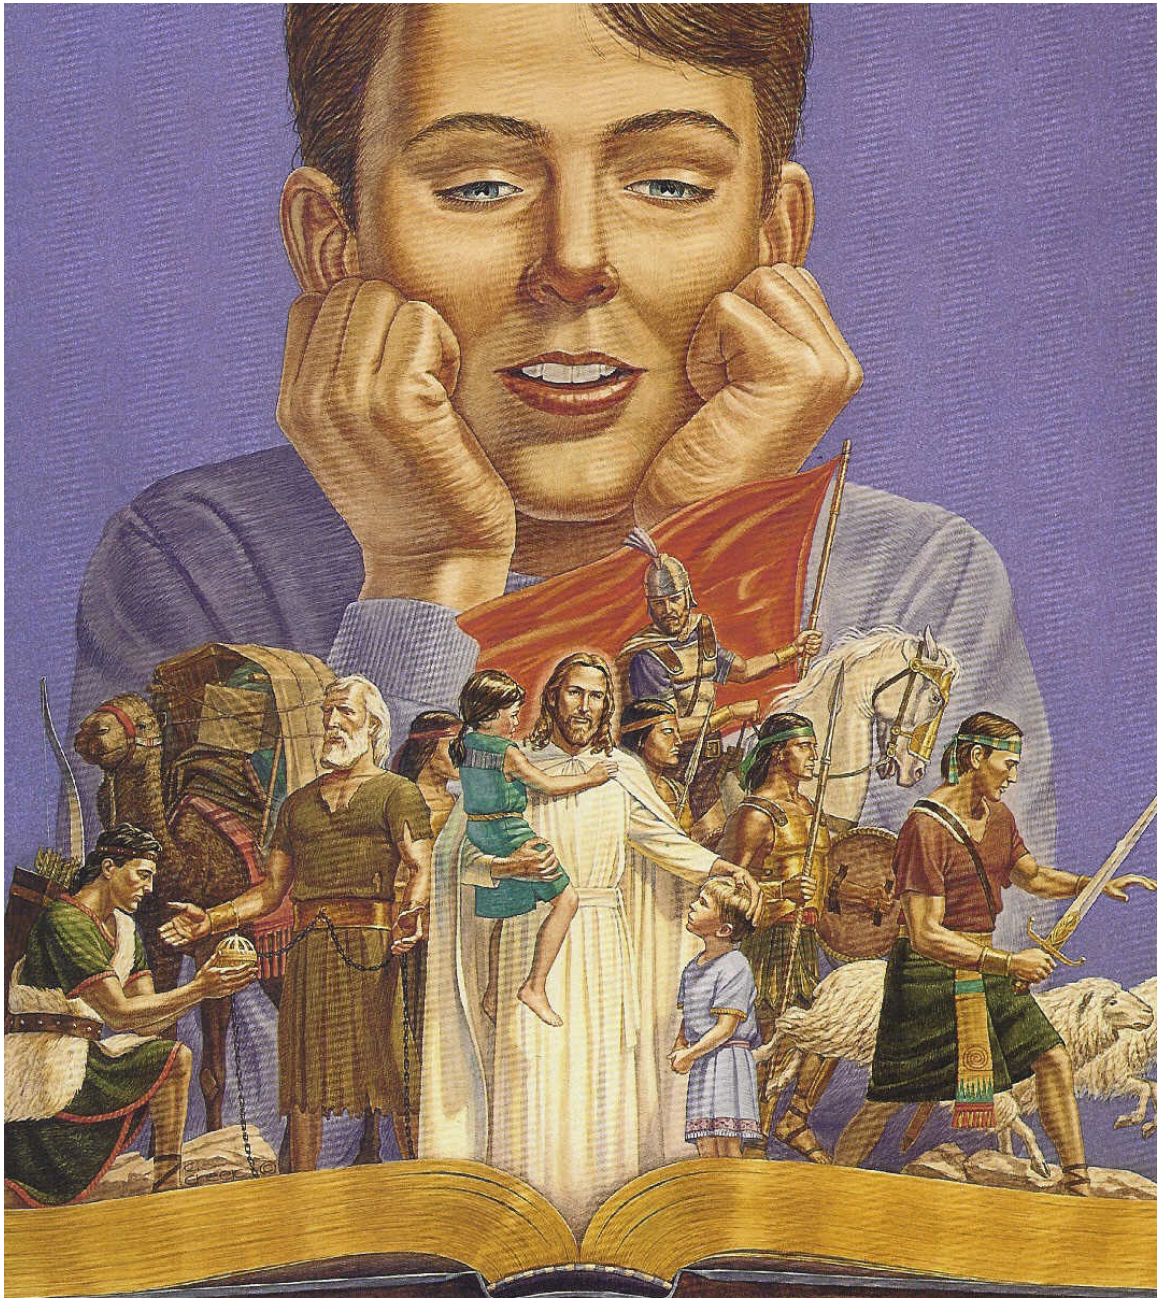

Told by prophets of old

**And I know they're
true!**

And I know that

They were written for me

**As I study, listen,
learn, and obey**

**I can be more like
Jesus**

**I have learned of a
prophet named Alma**

Who preached that

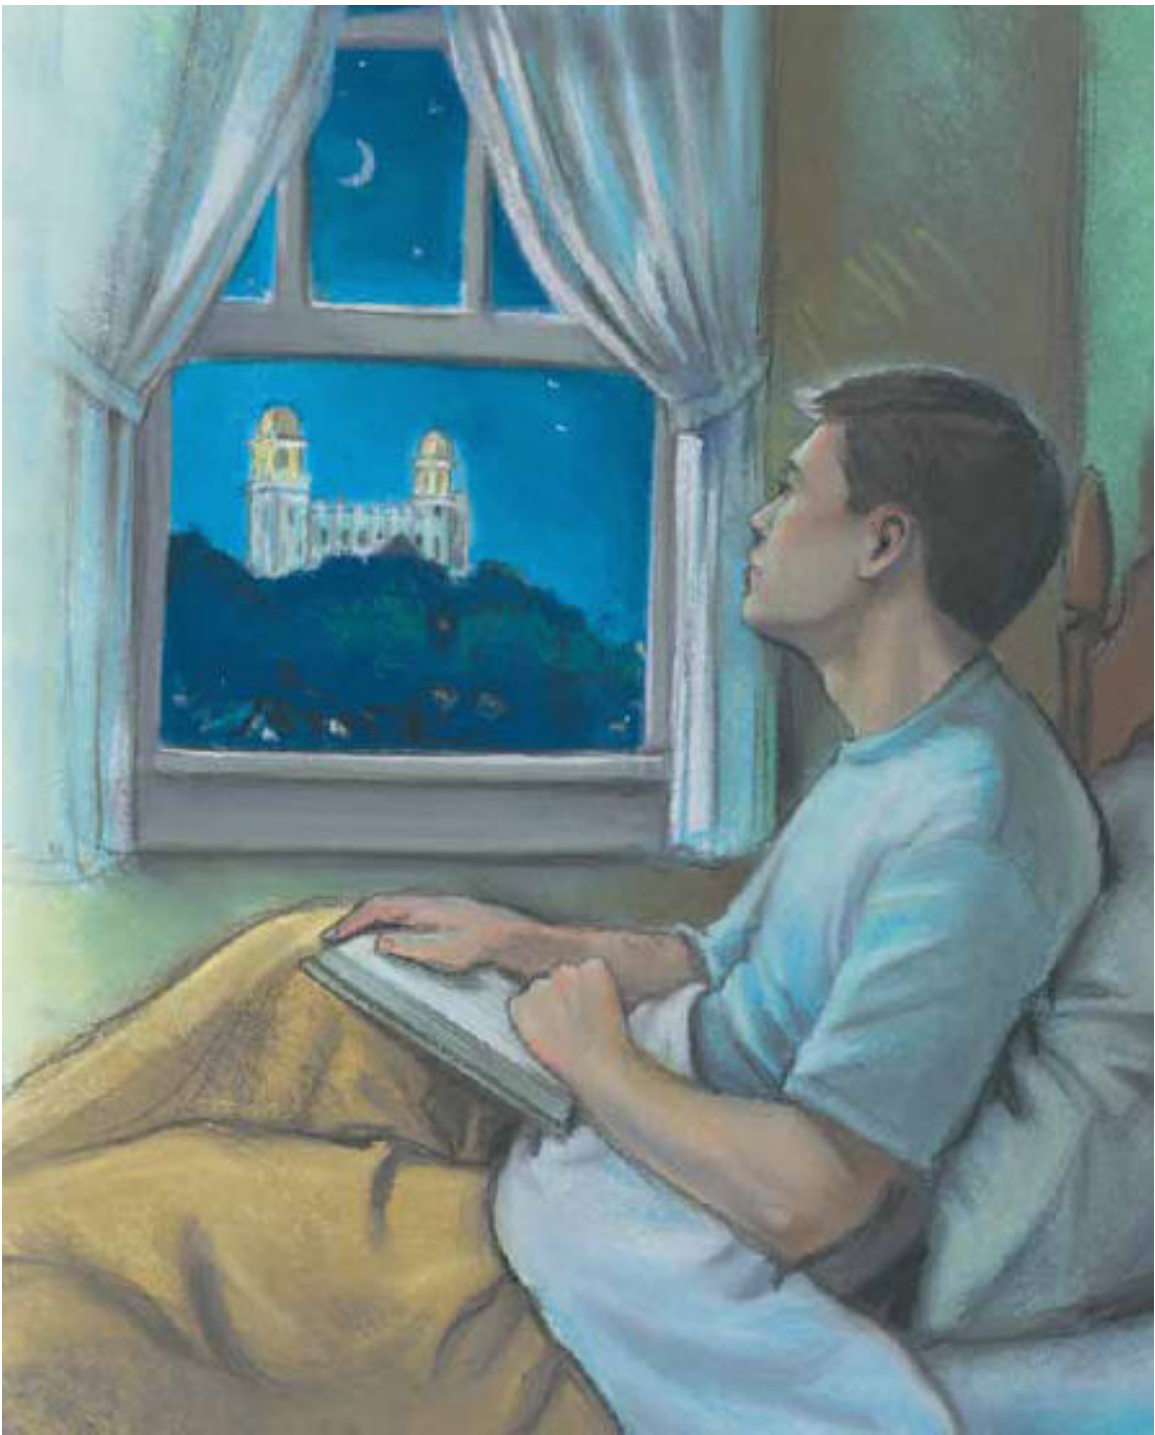

the gospel is true

And the story of

Helaman's warriors

**Who had had
mothers that knew
And I know they're
true!**

And I know that

**They were written
for me**

**As I study, listen,
learn, and obey**

**I can be more like
Jesus**

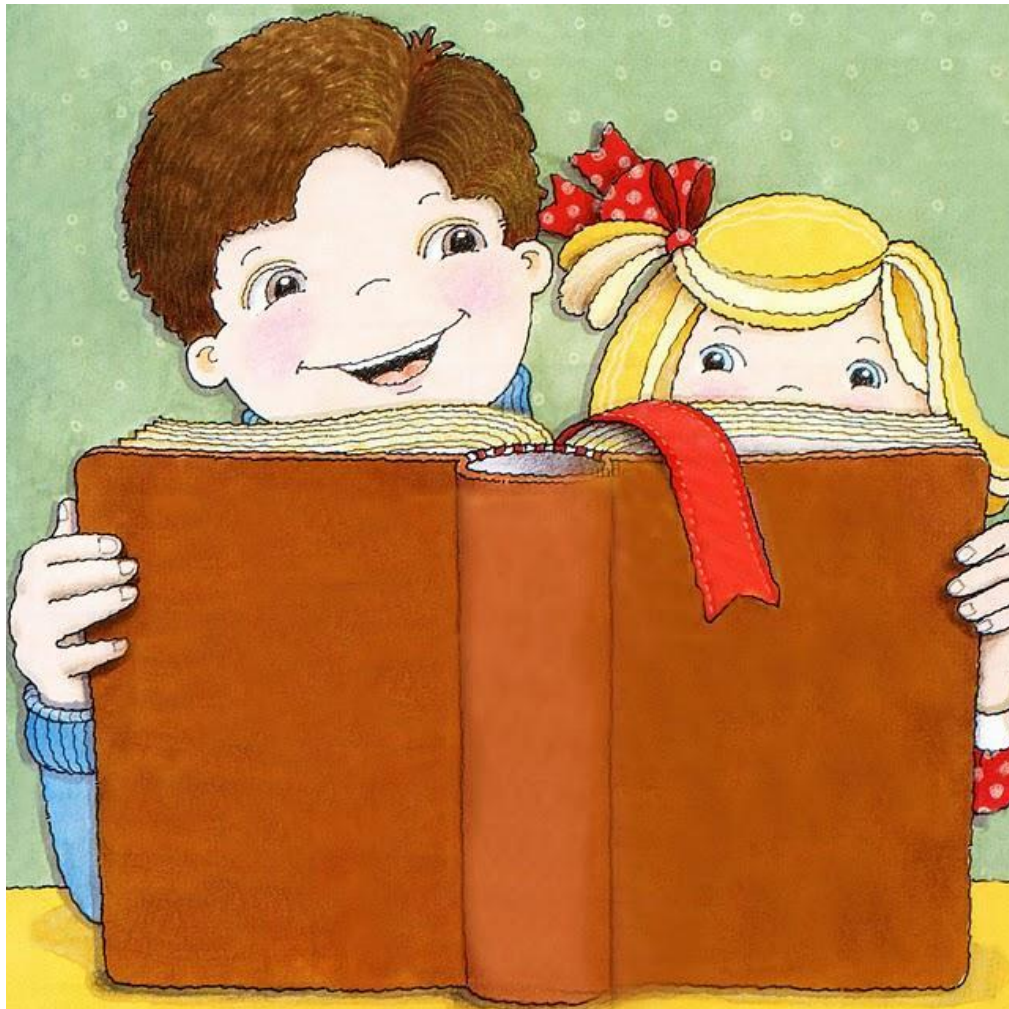

Stories teach me what I can be!

Stories teach me truths

**That can change
me
In the scriptures I
find many answers**

**From stories that I
hold so dear
They bring peace
They bring hope**

**They bring courage
As I follow and hear**

**And I know they're
true!**

And I know that

**They were written
for me
As I study, listen,
learn, and obey**

**I can be more like
Jesus**
