Juan's Day at School

Hi, my name is Juan.

Everyday I get up at about 7:45 o'clock. **First**, I have breakfast with my two brothers and my sister. I like chocolate cereals, but sometimes I have fruit and a cup of milk. **Then**, I wash my face, brush my hair and say goodbye to mom and dad.

After that, we go to school by bus and my mother takes my sister to school by car. We start school at 9:00. My favourite day is Tuesday because I do a lot of sports. **First of all**, I have P. E. from 9:00 to 10:00. **Next**, from 10:00 to 11:00, I have maths. I am not into it. **Then**, we have a break until 11:30. I really have a good time talking to my friends and chatting. **After that**, I have my Italian and English classes. I am mad about these two languages because I can communicate with my Italian and English friends.

From 13:30 to 15:00, we have lunch break. A good time to eat and relax. **Later**, at 15:00, we have geography, I like learning about different countries and cultures. **Finally**, at 16:00, I start with my favourite after-school activity, basketball.

Student's Name:	**WRITING**
Class:	
Unit:
