

# **INTRODUCTION**

I don't really use this blog anymore, but here is where you can find me!

Hello~ My name is Dennis. I use he/him pronouns. I am currently eighteen years old.

I have a Greek Mythology/Hadestown multimuse [@ichorbinds](#)

A Merlin rp blog [@servantpast](#)

A Dave Katz (from the Umbrella Academy) rp blog [@soldierqueer](#)

An Umbrella Academy Original Character rp blog [@readerpowered](#)

A Fedya Dolokhov rp blog [@importantfierce](#)

A Natasha Rostova rp blog [@youthloved](#)

An Andrei Bolkonsky blog [@smiledistant](#)

An Anatole Kuragin rp blog [@swordspurred](#)

And a Pierre Bezukhov rp blog [@merrycrank](#)

I am fairly new to roleplaying on tumblr, but I have over five years of roleplaying experience on other platforms.

I'm more interested in this for the writing than the aesthetic, but I do try to match formatting to the best of my ability. However, I do not write with icons.

I look forward to roleplaying with you!

# **RULES**

Rules aren't always the most fun things, but they are necessary to keep things running smoothly.

**NUMBER ONE:** I request that people ask me before diving into the following topics: Suicide, Eating Disorders, Self-Harm, Sexual Abuse, Sexual Trauma, and Sexual Assault. These topics can sometimes be triggering for me, so I would like discussion before bringing it

up out of nowhere so that I have time to prepare for it. I also request that these topics are tagged.

**NUMBER TWO:** If you need anything tagged as a trigger, just let me know and I will get to doing that as soon as possible. All triggers are tagged as “tw \_”.

**NUMBER THREE:** The actions and thoughts of my muses do not reflect my own personal thoughts or actions.

**NUMBER FOUR:** If I make a mistake, please let me know so that I can fix it! I'd rather be told than to make the same mistakes over and over again.

**NUMBER FIVE:** Don't be afraid to message me!

**NUMBER SIX:** I will write for just about any ship if you ask!

**NUMBER SEVEN:** I will not interact with any muses from 13 Reasons Why, Harry Potter, or Dear Evan Hansen. If you're a multimuse who happens to have characters from either of them, we can still interact, but not with those muses.

**NUMBER EIGHT:** Rules and muses will be updated as more come to mind.
