## Chapters 1-13 Summaries

Source: I pulled these chapter summaries directly from the [library.TarValon.net](http://library.TarValon.net) website. I take no credit for them, I simply pulled these summaries into a format that works better for our WoTaLong group. This website also contains paragraph length chapter summaries that are spoiler free (the notes sections contain spoilers but are collapsed) if you're interested. Be warned that outside of the chapter summaries the website does contain spoilers. Tread wearily my friends!
