

Privacy Policy for Milky Way Spiral

Welcome to Milky Way Spiral! Your privacy is paramount to us, and we are dedicated to protecting it through our compliance with this policy.

1. Information We Collect and How We Use It

Milky Way Spiral is designed for immediate use without the need for login or signup, enabling users to start enjoying the app right after downloading. Our app does not require any personal information from users for full functionality.

We do not collect, store, or process any personal data through the Milky Way Spiral directly. Users can access all features of our app without any restrictions.

2. Use of Third-Party Services

Milky Way Spiral does not employ any third-party services for data collection or processing on our behalf. The app is self-contained and prioritizes your privacy by avoiding any data collection or sharing practices.

3. Security

Ensuring the security of our users is a commitment we take seriously. Although Pi Circle does not gather personal information, we endeavor to use commercially viable means to protect our app and its functionalities. Nevertheless, it's important to note that no method of electronic storage or internet transmission is 100% secure.

4. Changes to Our Privacy Policy

Our Privacy Policy may be updated occasionally to reflect changes in our practices or for other operational, legal, or regulatory reasons. We will inform users of any changes by posting the new Privacy Policy on this page. Users are encouraged to review our Privacy Policy periodically for any updates.

5. Contact Us

If you have questions or concerns about this Privacy Policy, please don't hesitate to contact us.
