

2026 EBAL Call Times and Clerk Procedures

All athletes will need a purple participants wristband to gain access to the track and warm-up field.

Field events-Athletes can enter the gate 1 hour before their event is scheduled to start. They may enter through the athletes' gate individually and will not be ushered to their field event area. Athletes will check in at the event site. Athletes must be checked in 15 minutes prior to the start of the competition.

Track events-All calls are silent. Athletes may check in at any time, but priority will be given to those athletes in final call. Runners in races of 400m or less will receive 1 hip number from the clerk to be worn on the left hip. Runners in any race longer than 400m, including the 4x400m relay, will receive two hip numbers, for their left hip and chest. All relay members will receive hip numbers. Final call will be considered inside 20 minutes prior to the scheduled start of competition. Athletes will be ushered onto the infield 15 minutes prior to the scheduled start of competition unless the meet is significantly behind schedule, in which case an audible announcement will be made. The meet will not run ahead of schedule. Athletes are permitted to complete their warm-ups on the infield. Athletes may use portions of the track that are not in use for competition (ie, strides on the backstretch during the 100m race). Athletes must gather at their starting line 5 minutes prior to the start of their event.
