[Regional Fire Academy](#)-Certificate of Achievement

San Diego Mesa College:

[Foundations of Web Development](#)-Certificate of Achievement

The LMI provided by the COE indicated that there is little to no demand for the occupations that the Foundations of Apparel and Textiles program trains for. Based on the LMI, neither the COE nor the deans endorse the program, but encourage Mesa's faculty to get employer endorsement. This program was not recommended.

Motion to recommend all programs, with the exception of Foundations of Apparel and Textiles, and with the caveat that the Cybersecurity Specialist and Cyber Defense Infrastructure Support Specialist program descriptions will be updated by M. Fritch, second by J. Lopez, **unanimously recommended**.
