All State Art- Congrats to Ethan Wyatt on winning the Iowa All State Art Competition and being one of the top artists in the state of Iowa! Ethan is the 2nd person in school history to win this award!

State Qualifying Track Meet- Glenwood has been selected to be one of the 8 hosts for the upcoming State Qualifying Track Meets on May 13th. The meet will start at 4:00pm. If you are able to help with parking, concessions or working the track meet, please let Jeff Bissen at bissenj@glenwoodschoools.org know. This will be a big meet and great meet to showcase our new activities complex.

Gordon Woodrow- Last week for our Coed Ram Relays, Mike Jay announcer of many state & national meets announced our COED Relays! It was a great meet with Mike announcing but also a great honor to have Mike read the script for Gordon's service award. Gordon has been a big help to me as the AD the last 9 years and I greatly appreciate all he has done for me both professionally & personally.

Family Week- Both the IGHS AU & IHSAA have established a “family week” which will be July 25th-August 1st. There will be no High School activities (practices, contests, open gyms, open field, weight room and etc.) this week. Please plan accordingly with your schedules. **** We are seeing alot of non -school groups now trying to take advantage of this week off with access to kids but we still encourage all kids to take a week off from their normal routines before the fall seasons start the following week with their camps.
