Cell Phone:

Internal Review Board (IRB):

Science teacher:

Administrator:

Psychologist, Medical Doctor, or Registered Nurse:

All teachers working with students should register at this site:

<https://yorkregional.stemwizard.com/admin/home>.

All school fairs should be held by late January so that all student registration forms for the Y.C.S.E.F. can be completed online prior to the February Meeting.

If a school should have a student advance to ISEF, that school may need to send a teacher or administrator as a chaperone to ISEF in Atlanta GA. YCSEF will be financially responsible for the chaperone's registration and travel costs. Schools will be responsible for any substitute, if necessary. By signing this document, the Principal understands that a chaperone may be necessary. Schools will be notified within 12 days of the conclusion of the fair if a chaperone will be needed.

Each school is responsible for sending a representative to the Awards Ceremony. The school representative should come up on stage if a student is present to accept the award. The school is responsible for distributing awards to students who are not present.
