ALL ABOUT ME

Private and Personal Information

Directions
Pretend you have a public profile in an online community. There are people you know, and people you don’t know, who can view your profile.

Write down personal information that you would want to share about yourself. Make sure that everything on your list is safe to share and that it is not private information that could reveal your identity.

Use Common Sense!
Each time you share information about yourself online, stop and think: “Am I giving out information that I should keep private?”

Personal information often is safe to share. But you should never share private information without the permission of a parent, guardian, or teacher.
