

I was born and raised in Tater Valley Community and attended Washburn School. My wife and I have five children and eight grandchildren. Faith and family are cornerstones of our lives. I attended Walters State and completed my Bachelors and Masters Degrees at the University of Tennessee. I started my teaching career in 1997 in Carlsbad, NM. I worked at Washburn School for almost 18 years as a teacher, basketball coach, assistant principal, and principal. I was the Principal at Horace Maynard Middle School from 2015-2021. I am in my 26th year of education and excited to start this new chapter as Union County Director of Schools.
