

- ★ students connect with a photography expert
 - [Skype Classroom](#)
 - [Connected Classrooms on Google+](#)
- ★ students use mobile devices to take photos of their everyday lives (all kids have smart phone/iPad)
 - other free camera apps (ProCam)
 - have a cause?
 - **need a problem...**
- ★ students use apps to experiment with photo editing
 - PS Touch
 - Instagram (grid apps)
 - Skitch
 - others?
 - snapseed
 - IFTTT (for social media sharing)
- ★ students document the design cycle process publically
 - Tumblr? (like the simplicity & media focus)
 - wordpress?
 - voicethread?
 - use #comments4kids & other social connections to get them feedback
- ★ **PLEASE ADD COMMENTS** for suggestions, advice, etc :) Much appreciated!
