

Privacy Policy – Animal Dash

Last updated: March 26, 2026

Animal Dash ("we", "our", or "us") respects your privacy. This Privacy Policy explains how our game operates and what information (if any) is handled when you use the app.

1. Information We Collect

Animal Dash does not collect, store, or share any personal data.

The app does not require user registration and does not request any personally identifiable information such as name, email address, phone number, or location.

2. Gameplay Data

The game may store basic gameplay information locally on your device, such as:

- Scores
- Progress

This data is stored only on your device and is not transmitted or shared externally.

3. Device Permissions

Animal Dash does not require access to sensitive permissions such as location, contacts, or camera.

4. Data Sharing

We do not share any data with third parties because no data is collected.

5. Third-Party Services

Animal Dash does not use any third-party services, analytics tools, or advertising SDKs.

6. Children's Privacy

Animal Dash is safe for all users, including children, as it does not collect any personal information.

7. Data Security

Since no personal data is collected or stored, there is no risk of data misuse or unauthorized access.

8. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated revision date.
