

Definition: To provide proper partnership agreements, frameworks, public engagement and support for all organizations and businesses to realize more healthy communities, cities, and towns. Improve the quality of life for every individual on Earth.

Questions/Quiz:

What are some of the reasons to participate in developing and participating in partnerships for the goals?

Feelings: What does healthy partnership for the goals mean to you? How important is it to your ability to thrive?

Needs: What are the needs to provide your community with optimized partnerships for the goals?

Superhero Identifier: Who are the superheroes in your community involved in partnerships for the goals?

Diary/journal: Share your thoughts on this subject and how you feel.

**Mission I'm Possible:
Partnership for the Goals**

*Write your answers and thoughts below as you progress through the
labyrinth, for each level.*

Rounds: person/family/community

1) What are the tools you use when you participate in promoting healthy partnerships for the goals?

2) How does your family participate in practices to promote healthy partnerships for the goals?

3) How does your community help residents identify and maintain healthy partnerships for the goals?

Activities:

1) Identify your skills and abilities to participate in maintaining healthy partnerships for the goals. How often do you practice these?

2) Identify your family's skills and resources to attain and maintain healthy partnerships for the goals in your home. How do/will you provide your personal skills and abilities to this goal?

3) What are the character strengths and virtues you use when attaining and maintaining healthy partnerships for the goals?

Challenge:

- Will you visit your local city, town and county offices and businesses, discovering what your community needs to attain and maintain healthy partnerships for the goals?
- What are your representatives doing to achieve and maintain healthy partnerships for the goals?
- Please share some of your experiences with others in your community and/or in your journal.

Write a theatrical story about the Partnership for the goals:
