CASE REPORT

Text.....

DISCUSSION

Text.....

CONCLUSION

Should be supported by the findings of the study. Do not forget to add further research needs.

Author contributions

Conceptualization: [Author initials]

Methodology: [Author initials]

Investigation/Data Collection: [Author initials]

Data Curation: [Author initials]

Formal Analysis: [Author initials]

Writing – Original Draft Preparation: [Author initials]

Writing – Review & Editing: [Author initials]

Supervision: [Author initials]

Project Administration: [Author initials]

Funding Acquisition: [Author initials, if applicable]

Acknowledgements

Text.....(Acknowledge who supported the study but did not meet the authorship criteria and the study participants)

Funding

Source of funding, Memo number with date

Conflict of interest

With conflicts:

“MH reports receiving honoraria from XYZ Pharmaceuticals. AB declares consultancy fees from ABC Diagnostics. All other authors declare no conflicts of interest.”

Without conflicts:

“The authors declare that they have no conflicts of interest.”

AI disclosure

During the preparation of this work the author(s) used [NAME TOOL / SERVICE] in order to [REASON]. After using this tool/service, the author(s) reviewed and edited the content as needed and take(s) full responsibility for the content of the publication.

Ethical approval

Example: Ethical approval was not sought because this is a case report. However, informed written consent was obtained from the patient for preparation of this manuscript.
