

## Faith That Endures

📖 **Scripture:** James 1:3–4

“The testing of your faith produces perseverance.”

### 🔥 **Prophetic Insight:**

Faith is proven under pressure. The fire you’re in isn’t to destroy you; it’s refining you for promotion. You can’t have mature faith without enduring storms.

### 💡 **Life Application:**

Refuse to quit. Let your pain push you toward purpose, not away from it.

### 🙏 **Prayer Declaration:**

Lord, I will not faint under pressure. My faith will stand, my joy will remain, and my victory will manifest.
