### Session Objectives:

- Establish a shared, safe community of learning
- Establish a common understanding of transformative SEL
- Connect transformative SEL competencies to ourselves and our professional practice.
- Share resources and tools for developing transformative SEL learning communities in our organizations

| Agenda Item               | Resources                                                                                                                                                                                                                          |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Welcome!                  | <ul style="list-style-type: none"><li>• <a href="#">Slides Link</a></li><li>• <a href="#">Note-taking document</a></li></ul>                                                                                                       |
| Three Signature Practices | <ul style="list-style-type: none"><li>• <a href="#">Resource Folder</a></li></ul>                                                                                                                                                  |
