

Soccer/Futbol Camp Grades 3+ (July 8-July 19)

Our Immersives provide experiential learning with students having close collaboration with master level instructors/coaches as well as peers who are equally passionate about the topic. Immersives generally range from one week to two weeks in length. The students' immersion in the topic of study over the course of a day is long enough to provide a depth of knowledge and skills building in the targeted areas. We have some exciting offerings this year that range the gamut across six major themes: String Orchestra; Sports Camp; Art and Digital Media; STEM Literacy & Leadership; Culinary Arts; Coding for Good; and Musical Theatre and Production.
