School Supply Notes

- * With some new staff being hired, the number of binders needed is still in question for some teams. After team placements are sent in early August, please see your child's team's summer letter that will be posted on the JGMS website for updated information.
- Teachers will model binder set up and/or organization strategies for their class as needed.
- Teachers may also request additional materials that are specific to their subject in the summer letter or during the first week of school.
- Arts/Wellness teachers may also request additional supplies for their subjects. You can expect these details within the first few weeks of school.
