****Please help us raise money by getting donations from Stop and Shop. Its free! Use your phone to access.** Be sure to choose Seymour High School!!**

In our fast-paced society it seems that the ability to be still and listen intently is diminishing. At Seymour High School we still believe that live music deserves to be presented in complete silence. In order for the musicians to share their hard work and all audience members to be free to enjoy it, we ask that you refrain from talking/whispering during performances, remain seated (including small children), and please avoid checking your mobile phone in the darkness (the light from which is distracting to other audience members).

In short, be as attentive to all performers as you are for the person you came to hear. We thank you in advance for helping us to provide an authentic concert environment for everyone this evening.
