Curriculum & Instruction Update	• Parkview teachers attended Mastery Connect training and an MC Squared Training on Dec. 3, 2021. We also welcomed the teachers from Midway and San Antonio schools at our campus, for training, as well. During this training, our cafeteria created a coffee station for all of our district's elementary teachers and a green and red enchilada lunch for them, as well (at a very nominal price). • Our K-2 teachers continue training throughout this year on LETRS. LETRS training is a scientifically-based, structured literacy training that will help them with their English language arts instruction. • MC squared (math) training is continuing throughout the school year, both on Teacher Training days and through MC squared trainer, Megan Kidwell, who comes to our school to coach teachers on math instruction and meet with them during their PLCs. She even works in the classrooms with our teachers and students. This program incorporates hands-on learning to help students understand math on a conceptual level. • Our K-2nd grade classes continue testing in I-Station on a monthly basis. This testing helps our teachers determine individual students' "standards of concern" so that the teacher can best plan interventions to bring them up to (and work to exceed) grade level standards. • Grades 3-5 have tested in the (Interim Measure of Student Success and Achievement), a new assessment required by the NMPED three times per year- The beginning, middle and end of the school year. The next testing will take place in January of 2022.
Upcoming Events	• Parkview will be having its 4th and 5th grade School Spelling Bee on Wed., December 8, 2021. The top four students, from each of the six classrooms at those grade levels, will be competing in this event. Denise Cannon, Camelia Herrera (our school counselor) and Julie Romero (Midway principal) will be judging this event. • We will be having a Bulletin Board Decorating Contest on Dec. 6, 2021. The winning classroom will be receiving a PIZZA party. • Parkview will be having a Spirit Week from Dec. 13-16, 2021 - o Dec. 13- Ugly Sweater Day - o Dec. 14- Dress Like an Elf Day - o Dec. 15- Dress Like a Whoville Citizen Day - o Dec. 16- Warm Pajamas Day (with shoes) - o Parkview Teachers will be giving out drawing tickets to students with exemplary behavior and academics, and then the students' tickets will go

	into a drawing for a Gingerbread House, Gingerbread Kits, Popcorn Tins and Candy-Filled Candy Canes that will be given away on Dec. 16th. The Gingerbread House is pictured below. Cookie-Making- Rex, our Cafeteria Manager, would like six responsible 4th graders and six responsible 5th graders to help make Christmas Cookies at 1:30pm in the cafeteria on Wednesday, Dec. 15th. Then on Thursday, Dec. 16th, (in the afternoon) they will deliver the cookies and colored frostings to each classroom so that each of the students can each decorate their own Christmas cookie. • On Dec. 16th, Parkview will be live-streaming the NMTECH Performing Art Series–Mariachis Christmas at 9 am. • In mid January, Dr. Maureen Wilkes is coming back to teach “Mindfulness Training” to students and teachers in grades K-5.

The group discussed our Veterans Day celebration and the upcoming Science night in January. See the picture of the news page below. • SEMA (Socorro Educational Mentoring Alliance) continues at Parkview. Mentors from NMTECH provide after-school homework help as well as mentoring, to students in grade 3 and 4), for four days per week. And finally, thanks goes out to Diana Henney, from our Parent Advisory Council, for decorating our breakfast room. She did an amazing job!
