

## Robotics Club, TSA All Stars, Team #7691, SAFETY CONTRACT

I, \_\_\_\_\_ agree to follow the rules stated below:

- I will wear safety glasses when any physical work is being performed and when the location requires it (pit).
- I will tie my hair back if it goes past my shoulders.
- I will not wear hoodies with drawstrings, loose sleeves, or dangling jewelry when working in the shop or pit.
- I will get help from an advisor or mentor when using power tools and respect their instructions.
- I will respect the power of compressed air and never point pneumatic tools at others.
- I will wear closed-toe shoes when in the shop or pit and to all competitions.
- I will stay out of the way of moving parts and/or the CNC router.
- I will not touch the robot when it is powered on or enabled, except to emergency stop it.
- I will not fool around when the team is working.
- I will report all injuries and near misses to a faculty advisor or mentor immediately.
- I will report unsafe conditions or behaviors to my teammates and an advisor as soon as I see them.
- I will help clean up the work spaces when I am finished working.
- I will put my initials in the lower left corner of the page if I have read this.
- I will take caution when working with sharp pieces of material and always file down stock being returned to the shelf.
- I will report broken equipment to a mentor or advisor.
- I will not attempt to lift heavy materials or the robot alone.
- I will ask for assistance before attaching electronic wires and never reach into the robot when it is on.
- I will not run in the workplace.
- I will report all spills to a teacher or mentor immediately.
- **I am responsible for my own safety.**

I agree to the above statements and will keep safety at the front of my mind when working on all robotics activities throughout the 2024/25 school year. I will also encourage my teammates to maintain a safety mindset.
