without lifting the pen - create your first reflexive mark in the box - (right):

Stage: 2 - Sensory impressions.

Add as many descriptor words for each section that feel appropriate to you.
(please see the descripto word template sheet for a few suggestions).

AOL's:

(Any strong visual images or
nouns should be recorded here
(on the right hand side of the
page) - as AOL's.

Sounds: murmur/soft background noise/

Textures: smooth/fluffy and raised

Temperature: warm/smooth surface is cool

Colours: yellow, smooth is white

Luminescence:

Smells: lived in ,organic

Tastes:

Dimensions: fluffy is rounded/nsmooth surface is flat and squarish

Add four or
more in here.

AI: Aesthetic Impact:

If you were at the target -
how would it make you feel?
Write a single impression
here.

Stage: 3 - Sketching.

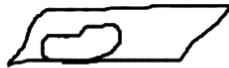

Write the target coordinate number below then take a few seconds to create a simple sketch of the target below in the space. Feel free to annotate parts of the sketch and to then probe this with you finger or pen and to write any sensory impressions (temps, textures, taste, smells and so on.)

AOL's:

(Any strong visual images or nouns should be recorded here (on the right hand side of the page) - as AOL's.

Write the target coordinate (numbers) here:

2000

Summary:

Write a short summary about the target here.

so, my initial impression was a smooth surface with a fluffy object on it but as i kept looking at the fluffy object it feels alive

so my thought is its a small animal on a smooth surface

Nina Kachinga

Sounds - water

Textures - wet, rocky, hard, slippery, manmade structure

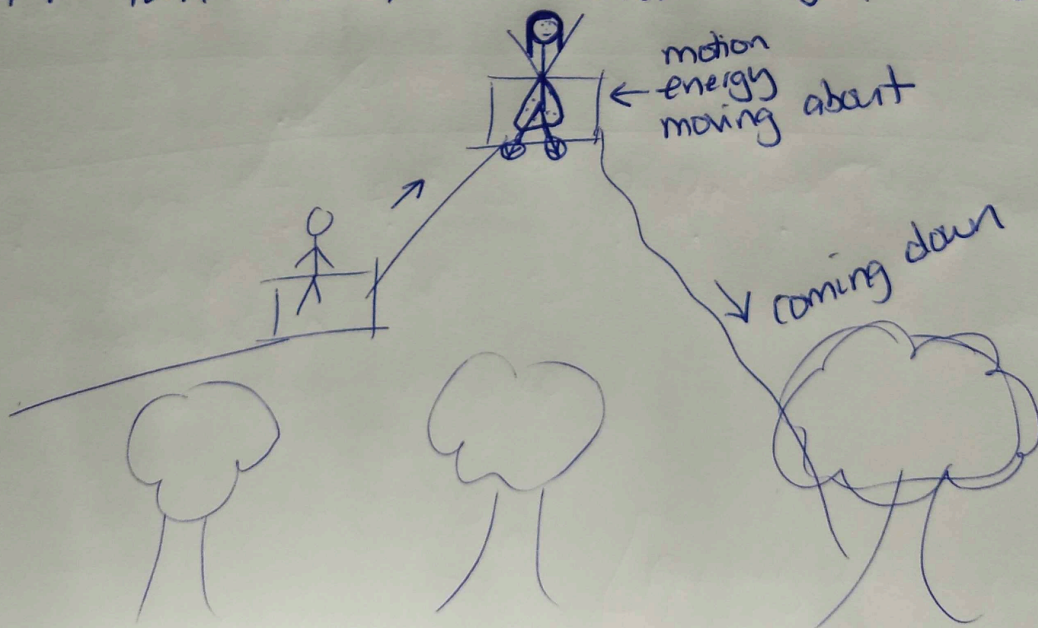

Temp. - outside, moisture

colours - Grey, green, light brown/mushroom, blue

Smells - fresh

Dimensions - High up, on top, 2 levels, moving up, sliding down, falling, above the tree tops.

A.1. fun, anxious, excitement, vertigo, memories

(2)

Feels like a photograph of a female
standing at the top of a structure
whilst on holiday wearing a patterned
skirt and flip flops on her feet.

lots of motion at the top before coming
down. feels like it has been raining.

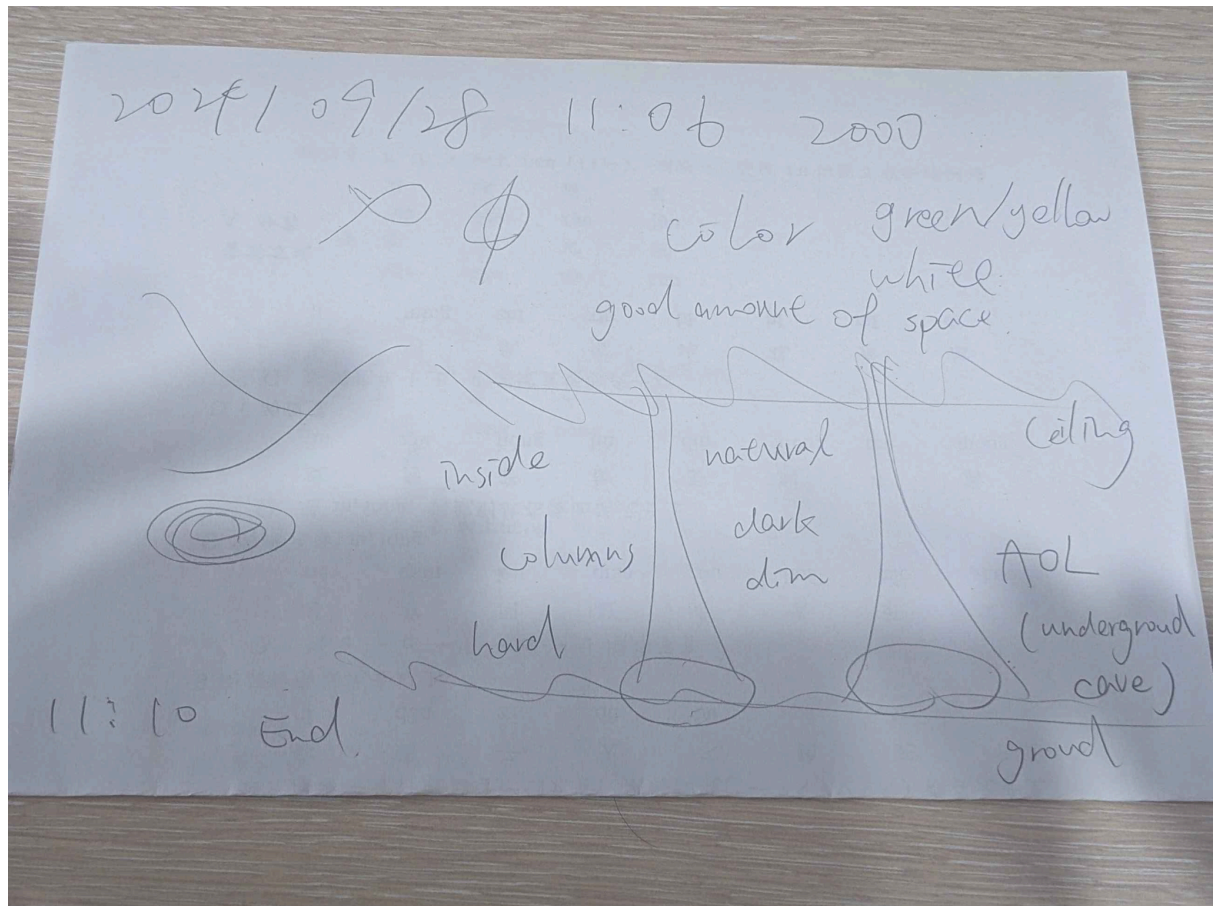

female has shoulder length dark hair.

There's lots of nature + vegetation.

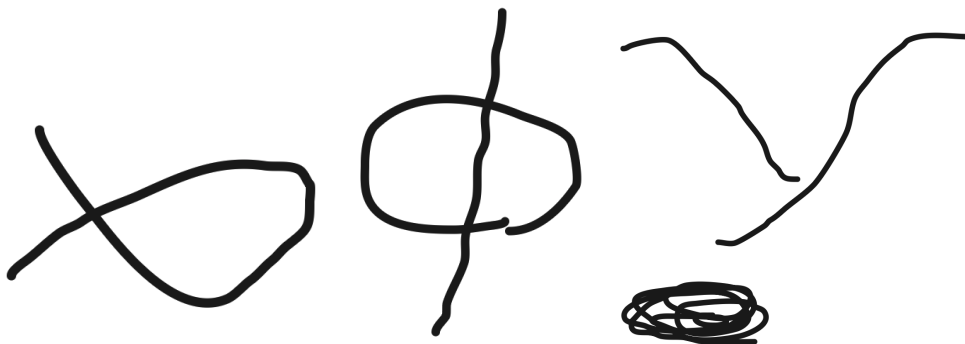

I'm also sensing "Grandmother."

Thank you

END

Stage 1 - Ideograms

Stage 2 - Sensory impressions

Sounds: No data/quiet

Textures: hard

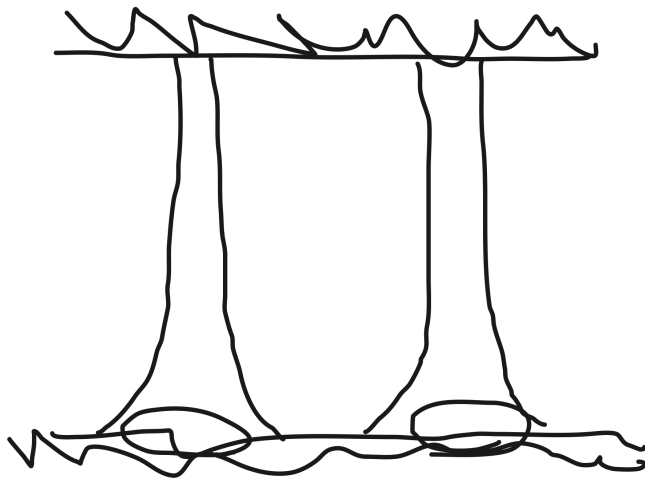

Temperature: cool/breeze

Colors: green/yellow/white/dark

Luminescence: dimly lighted environment

Smells: No data
Tastes: No data
Dimensions: Spacious/large
People: No data / none or few
Events: No data
Aesthetic Impact: static/calm

Stage 3 - Sketching

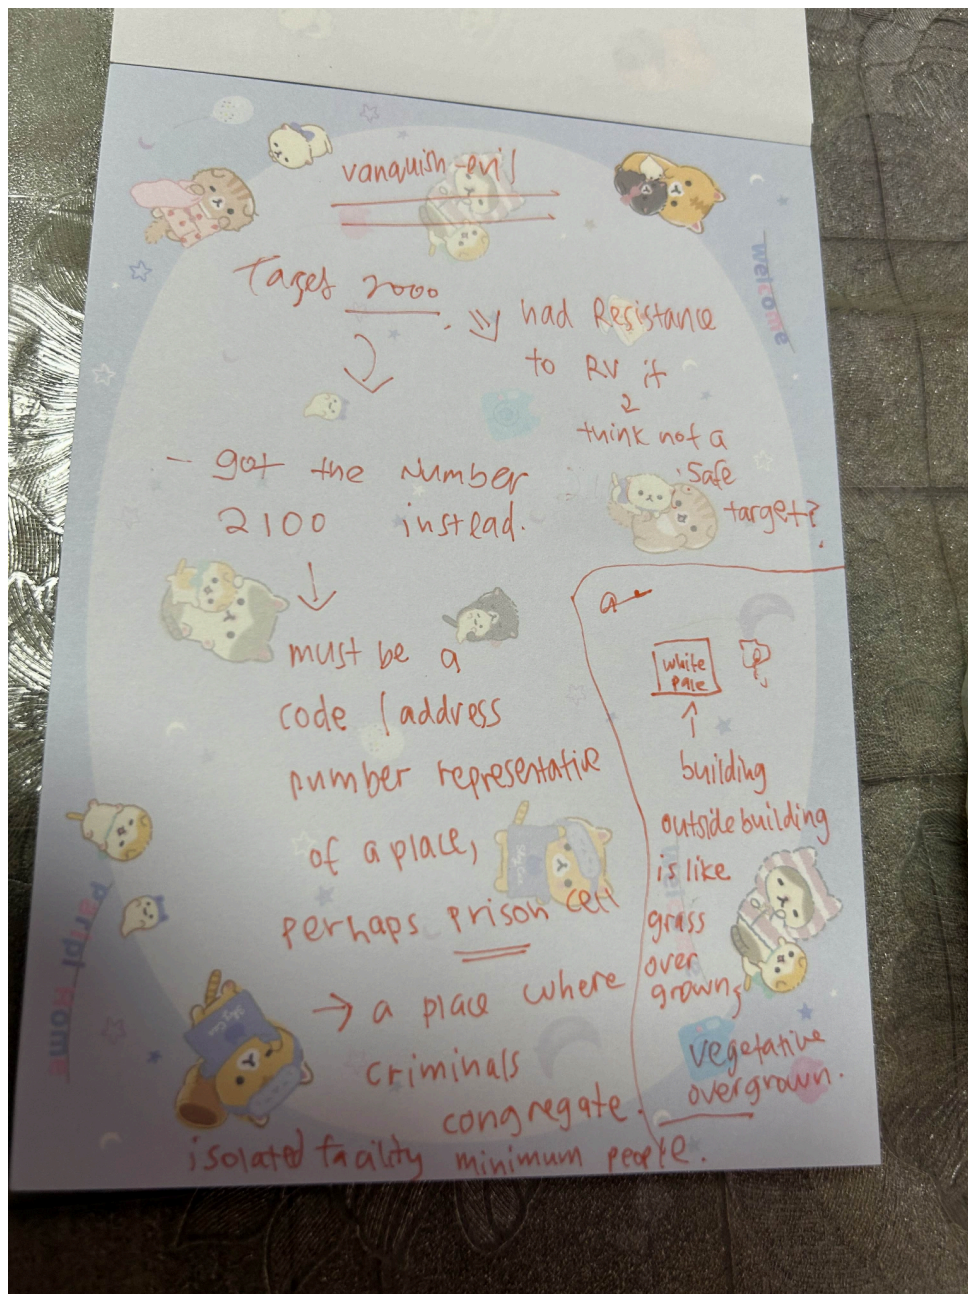

AOL

underground cave

Summary

It's a quiet and spacious environment without much going on. Dimly lighted, possibly underground or confined with man made/natural walls and large columns. The air is cool. I have a strong AOL as being in an underground cave.
