Stage II Culminating Project Process & CheckList

Complete Stage II Culminating Project Working Proposal - May of JR year

Work with Advisor to solidify project proposal and prepare for Project Proposal Panel
Presentation - Fall of SR year (or Spring of JR year for students wanting <u>+20 summer hours</u>)
☐ Rough draft run through of presentation with Advisory
☐ Look over <u>exemplars</u> for ideas
☐ Completed Rubric with all aspects filled in
☐ OPTIONAL (by Advisor discretion) - Written Project Proposal
Project Proposal Panel Presentation - Panel Days in Fall of Senior Year
(or after Advisory Olympics, for students wanting summer credit)
This is a formal presentation to your Panel about what you want to do for your project.
☐ Digital Slides (minimum of 3 slides)
☐ Intro of yourself & your path
Overview of project
How will there be Evidence of Learning? In other words, what are the pieces of your rubric you created to measure your learning in your project? What will your Panel see and grade that proves what you learned through this project? How can we judge its quality? How can we measure it?
What research will you do? How will you document the hours, time with Community Mentor, the process of the project?
☐ Copy of filled-in Rubric in for panel members - this is your "contract" for your project
☐ Script of what you are saying has been rehearsed, demeanor is professional
Check-in with Community Mentor over course of project - Winter of Senior year
☐ Approval of Rubric by Mentor, communicated to Advisor - this can be an email communication
☐ How is it going? What support is needed?
Check-in with Advisor over course of project - Winter of Senior year
☐ How is it going? What support is needed? Do you have a mentor?
☐ Is the rubric detailed, measurable, clear? Is it feeling solid for what you want to do?
Check-in with Panel - Monday in mid-December
☐ Review of Rubric
☐ What has been completed so far, go over Evidence of Learning
☐ Is everything measurable, detailed and achievable.
☐ Remaining Timeline - How much still needs to get done, what support do you need?
☐ Email approval of Rubric from Mentor shared
