

## **EMAIL #1 - Wait 1 Hour**

**Subject:** Let Me Introduce Myself (Pics Inside)

Hopefully you've had a chance to watch the presentation from Dave (one of my best affiliate marketing partners) where he showed you how you can partner with him to learn **step-by-step** how to launch your high ticket affiliate marketing business...

(If you need to watch it again you can [Link Back to Sales Page with Affiliate Link] [see the video presentation here.](#))

**But First, allow me to introduce myself...**

Hi, my name is [YOUR NAME]...and I got into affiliate marketing like most people.

I wanted the freedom of earning income online without the hassle of creating products, fulfilling orders, and handling customer service requests.

I didn't hate my life, but I wanted more freedom, more opportunity, less B.S. and the ability to travel and live life on my own terms.

Cheesy Right?

[Share a quick story about being overworked or underpaid or something that you wanted to change to create a bond with your prospect]

[Also insert a picture that shows you working hard or something like that]

**I was getting burned out. And I needed a solution fast.**

So I started over and switched my approach.

Thankfully, I finally discovered a system that worked.

[Insert a picture of you showing something good, like on a beach or something]

**What was the difference maker you might be wondering?**

**Two things changed everything...**

1. I started promoting High Ticket Affiliate Products
2. I stayed away from "hit & run" businesses and I focused on growing my email list

It worked well and it worked surprisingly fast.

Now keep in mind....

**A).** I'm a pretty average guy/girl that lives in [where are you from?]. (No Lambos here)

...and

**B).** I'm not too flashy. Actually, I'm fairly modest.

...The point is, if I can make it work...

...YOU CAN MAKE AFFILIATE MARKETING WORK.

I'll leave you with my favorite affiliate marketing quote. From Robert Bennett...

***"Affiliate Marketing has made businesses millions, and ordinary people millionaires."***

I am thrilled that I discovered High Ticket Affiliate Marketing.

What about you?

Ask yourself...are ready for more?

If so, don't waste your time like I did. Skip straight to what works.

**Subject:** Why Legendary Marketer?

I'm getting this question a lot.

Why Legendary Marketer?

👉 First off, if this isn't for you, no worries.

👉 And two...if you are one of the many who have already jumped in on this...Congratulations, you made an excellent choice. 🎉

The reason I recommend it is because of everything I have tried...this is the **best beginner friendly program** I've ever seen.

- It is simple to set up.
- It comes with all the training to start making sales.
- And it converts.

I jumped on board because I saw newbies making money (sometimes in their first week).

**That is why I wanted to share this with you...**

Sometimes people just need to see that first commission hit their bank account. I'm all about the belief. Because systems and information are everywhere, however, **belief changes lives.**

Make sense?
