

**Wise enough to
seek the Light**

**Strong enough to
stand for right**

**Meek enough to
be advised**

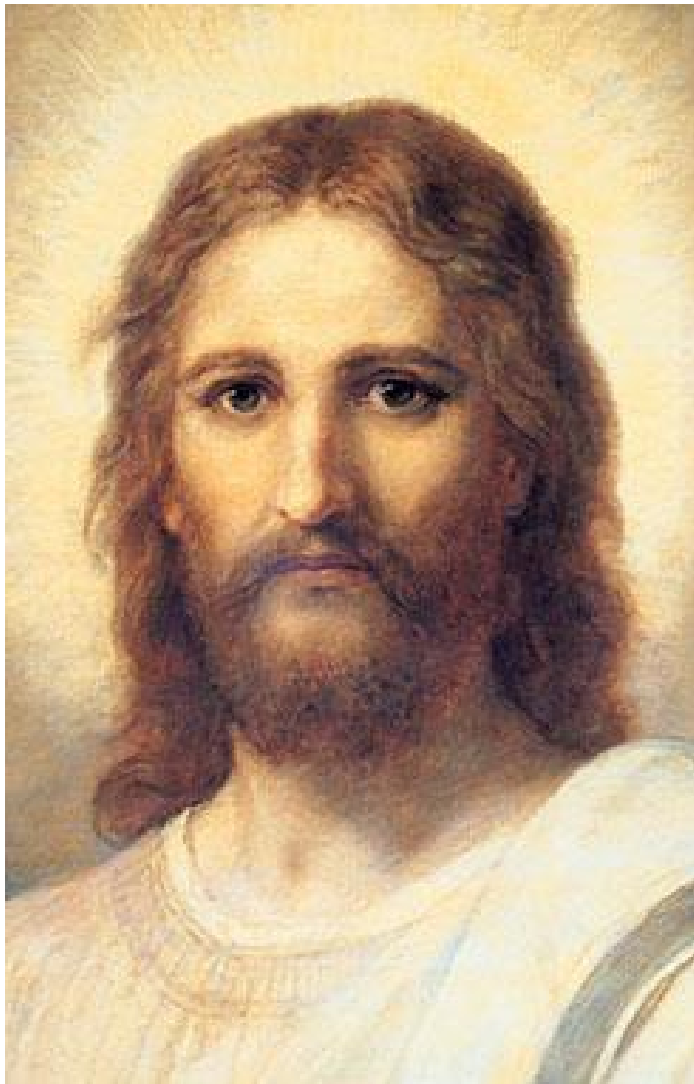

**Brave enough to
be baptized**

**Born again as
child of God**

**Cleansed in
Christ's atoning**

blood
Christ has love
enough for me

**Love enough
eternally
Changed enough
to choose the
Lord**

**Staunch enough
to keep my word
Full of faith from**

what I've learned

**Clean enough to
be confirmed
And receive the**

Holy Ghost

**Gift of God I need
the most
Christ has love**

enough for me

**Love enough
eternally**

Blessed enough to

**bear Christ's
name**

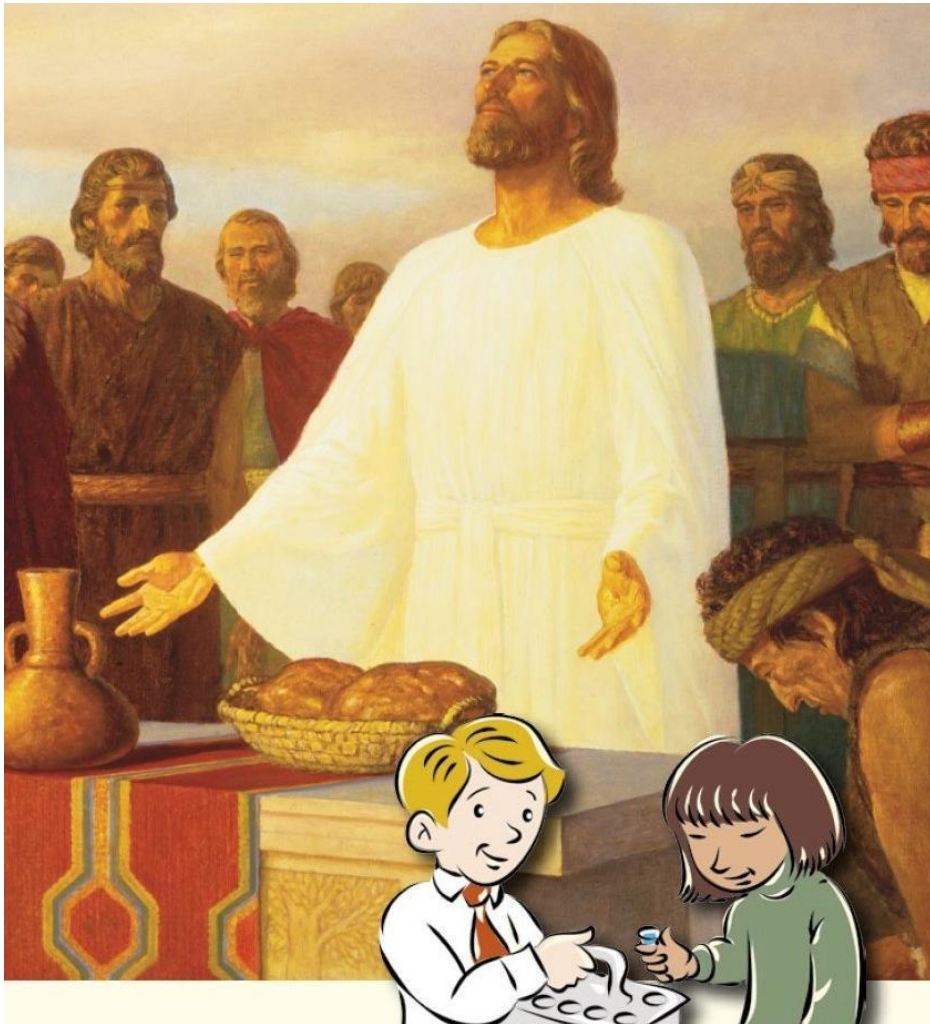

**Loved enough to
feel the shame**

**When I slip and
break my word**

**I'll repent by
sorrow stirred**

**Then renew my
covenant**

**As I take the
sacrament**

**Christ has love
enough for me**

Love enough

eternally
